ACKNOWLEDGEMENTS

The writer expresses with pleasure his deep sense of
gratitude to Dr. N.P. Vaikos, Lecturer in Botany,
Marathwada University, for the valuable guidance and
encouragement throughout the course of this study.

He is gratefully indebted to Prof. R.M. Pai, a
stickler for punctilious observance of academic discipline,
who was a constant source of inspiration and for
invaluable help and suggestions all through the course of
this investigation.

He would like to thank the authorities of Marathwada
University, for laboratory facilities. He is grateful to
Dr. V.N. Naik, Marathwada University, for the
determination of the species investigated, and to
Dr. Raghava Rao, Osmania University, Hyderabad, for the
supply of material of few plants.

He thanks all his associates and friends especially
Drs. D.A. Patil, V.K. Kothekar, N.N. Kale, B.W. Patunkar,
S.D. Biradar, N.S. Zade, J.S. Bansod, P.N. Mandhare,
S.P. Rothe, Mrs. Chitra Savangikar, Mrs. Suniti Barve,
Mrs. Manjari Chaudhary, for their help in various ways.
Thanks are also due to Shri V.A. Choudhari for his help in preparation of the illustrations and to Shri M.S. Muraleedharan for typing of the manuscript.

He expresses his heartfelt thanks to his elder brother Mr. Himmatrao S. Patil, brothers-in-law Mr. B.P. Tahakale and K.N. Tathe, whose inspiration, constant encouragement and watchful care enabled him to give off his best to complete this study.
