

ACKNOWLEDGEMENTS

This work signifies not only my work at the keyboard, but lot of effort from many people who supported throughout the research work. First and above all, I thank *God*, for providing me this opportunity and giving me the capability to progress successfully.

I wish to thank to my supervisor, Dr. G. Sadashivappa, Professor and Head, R. V. College of Engineering, Bengaluru, for his insightful suggestions which helped during the course of research work. I take this opportunity to convey my regards to my guide who has been constantly monitoring the research work.

I wish to thank the Vice-Chancellor Dr. (Fr) Thomas C. Mathew and the Pro-Vice Chancellor Dr. (Fr) Abraham V. M. of Christ University for the opportunity to do research work.

All through my academics, I was lucky to be guided by teachers and leaders. I wish to express my gratitude to Dr. Srikanta Swamy, Formerly Additional Director, Centre for Research, Christ University, and Dr. Ravi Prakash G, for their faith, motivation and encouragement throughout the research and valuable insight in my research work. I remain thankful to them for the trust that I have been granted.

I extend my thanks to Dr. Tony Sam George, Additional Director, and Dr. Shivappa B Gudennavar, Associate Director, Centre for Research, Christ University for their guidance.

I extend my thanks to Dr. Anil Pinto, Registrar, Christ University, Dr. Fr. Jossy P George, Director, Christ Institute of Management (CIM), Lavasa, Fr. Benny Thomas, Director, Faculty of Engineering, Dr. Iven Jose, Associate Dean,

Faculty of Engineering, and Dr. Balachandran K, HOD, Department of Computer Science and Engineering, Christ University for their constant encouragement.

I extend my thanks to Mr. Sreekumar Nair, Librarian, Mr. James Kurian, and Dr. Sebastian K A, Associate Director, Centre for Research, Christ University, for their help and support in enabling me to use valuable resources.

I wish to thank Dr. Dan Bogdanov, Cybernetic, Estonia, for his timely and valuable responses to research queries, Mr. Vikram Vincent, for his support throughout the research. The research work would not be in this shape without valuable guidance from Dr. Mohammed Misbahuddin, Sr. Technical Officer at Centre for Development of Advanced Computing, Bengaluru.

Nothing concrete could be achieved without constant inspiration and guidance from Dr. Durgesh Mishra, Professor (CSE) & Director Microsoft Innovation Centre, SAIT, Indore and Dr. Alok Tiwari, SCS, DAVV, Indore.

I wish to thank my parents and sisters for their constant support and encouragement. And most of all; I am extremely thankful to my daughter, Kashyapi for her support and my husband, Kapil for his faith, love, motivation, support and timely technical discussions & valuable feedbacks.

I am thankful to everyone who helped me to make this dream success.
