ACKNOWLEDGEMENT

At the very outset, I express my deep sense of indebtedness to my guide Dr. Bhagawat Pran Duarah (Associate Professor), Department of Geological Sciences, Gauhati University for his constant guidance and supervision as well as encouragement and constructive criticism throughout my work.

I acknowledge my serious regards to the Dean (Faculty of Science), Gauhati University and Head, Department of Geological Sciences for giving me permission to pursue my Ph.D. research in the Department of Geological Sciences.

I gratefully acknowledge, Dr. A.C. Mazumdar (Professor) Department of Geological Sciences, Gauhati University as he put forward the idea of doing the Cretaceous-Tertiary Boundary problem as a research topic in Shillong Plateau, Meghalaya.

I am grateful to Geological Society of India, Bangalore for awarding me the "Lakshmeswar Rama Rao Birth Centenary Research Grants" and the financial assistance during the session 2007-2008.

I gratefully acknowledge, Dr. V. Balaram (Scientist-G and Head, Geochemistry Division, NGRI, Hyderabad) for his kind permission and help in carry out the chemical analysis of my research samples in the ICP-MS laboratory.

It is also a pleasure to acknowledge the inspiration and valuable suggestion that I received from Dr. P.K. Das (Former Professor), Dr. D.N. Das (Professor) and Dr. A.D. Patgiri (Professor) of Department of Geological Sciences, Gauhati University.

Special thanks are due to Dr. Balen Bhagabaty (Assistant Professor) and Dr. Sarat Phukan (Assistant Professor) of Department of Geological Sciences, Gauhati University; Dr. M. Satyanarayanan (Scientist-C, Geochemistry Division, NGRI, Hyderabad), Dr. Parijat Roy (Ph.D., Geochemistry Division, NGRI, Hyderabad) and Dr. Ajit Barkotoky (Assistant Professor, Dimoria College, Guwahati) for their various help during field and laboratory works.

I am thankful to Dr. S. Karmakar (Scientific officer) and Dr. S. Bardaloi (Jr. Scientific officer) of Department of Instrumentation and USIC, Gauhati University for their help in getting the XRD and XRF results respectively.

Last but not the least, I am highly thankful to my seniors Achinta, Ratul and Sangeeta’ba; my younger brother Shyam and my friends Pranjal Deep, Anup, Mukut, Smita, Chinmoyee, Linashree.
