Acknowledgements

With a deep sense of gratitude, I would like to offer my sincere and humble thanks to Dr. K. G. Bhattacharyya, Professor, Department of Chemistry, Gauhati University for his constant guidance, supervision and encouragement during the entire period of this study.

I am very grateful to Assam Science, Technology and Environment Council (ASTEC), and North-Eastern Space Application Centre (NE-SAC), Shillong of the Indian Space Research Organization for funding the first phase and the second phase of this work respectively.

I would like to offer my sincere thanks to Prof. A.K. Mishra, Head of the Department of Chemistry, Gauhati University for allowing me to work and use all the facilities of the Department. I am also very grateful to all the teachers of the Department for constant encouragement during the course of this work.

I am also thankful to my seniors and co-researchers, Bijoy da, Hitesh da, Tapan da, Nripen da, Ramesh da, Bidyut da, Ajay da, Dipti ba, Monidipa ba, Arunima ba, Gitimoni ba, Susmita ba, Gitali ba, Smriti ba, Moumita ba, my classmates Suranjana, Jyoti, Anindita and other co-workers for their cooperation and inspiration.

I express my hearty thanks to my elder brother Nirmal Jyoti Kapil, sister-in-law Gitanjalee Devi and younger brother Dhruba Jyoti Kapil for their constant help, encouragement and valuable suggestions during my study period.

With profound respect, I would like to offer hearty thanks to my parents Shri Munindra Nath Sharma and Smti. Pratibha Devi for their constant inspiration, support and blessings, without which this work would not have been possible.

I also extend my sincere thanks to all my family members, relatives and well wishers for their encouragement.
