ACKNOWLEDGEMENTS

I sincerely wish to express my deep sense of gratitude to Dr V. K. George, Dean for Sciences and Head of the Department of Botany, St Joseph's College, Tiruchirapalli for suggesting the problem and offering invaluable guidance and constant encouragement throughout the course of this investigation.

I am grateful to the Principal and the Management, St Joseph's College, Tiruchirapalli for permission to make use of the laboratory facilities for this experimental study.

I express my gratitude to Rev. Dr. J. L. Gnanarethinam, Principal, Arulandar College, Karumathur, Dr V. Rajagopal, Scientist, CPCRI, Kasarcode, and Dr T. A. Davis, Director,
Haldane Research Centre, Nagercoil for their constructive criticism and valuable suggestions.

My profound thanks go to Dr K. Kathiresan, Research Associate, CAS in Marine Biology, Portonovo for his helpful suggestions and assistance in the preparation of the manuscript.

I sincerely thank Dr V. Kalyani, Scientist, Sugarcane Breeding Institute, Coimbatore for her spontaneous help at the experimental stage of the study.

I should like to express my thanks to Mr R. Jeyachandran, Senior Research Scholar of the Department of Botany, St Joseph's College for his cooperation in the preparation of the thesis.

My heartfelt thanks are due to Prof. S. Venkatanarasimhan, Sri Pushpam College, Poondi and Dr M. Paramasivam, Centre for Marine Biology, Mandapam for their willing help and encouragement. I owe my thanks to my senior fellow scholars, Dr S. Kalavathy, Rev. Dr. Ignacimuthu and Dr D. I. Arokiasamy for their practical suggestions.

My particular thanks are due to Rev. Dr Anne Xavier and Dr R. M. Meenakshi, Department of Botany, Holy Cross College, Tiruchirapalli for permitting to use the Bomb Calorimeter and for their kind help. I am thankful to Mr P. Raja Leo Charles for his timely help.
I am much obliged to Dr K. Manoharan and Dr Jaiprakash, Jawaharlal Nehru University, New Delhi, Dr S. Periyannan, School of Biological Sciences, Madurai Kamaraj University, and Mr Kumarasubramanian, Technician, Bharathidasan University, Tiruchirapalli for their valuable technical guidance in using the Scintillation counter, leaf area meter and UV spectrophotometer.

My sincere thanks are due to Dr Arulraj, Head of the Department of Chemistry, St Joseph's College, Tiruchirapalli for permission to make use of certain instruments in the Department. My grateful thanks go to the members of the Staff, Department of Botany, St Joseph's College, and GTM College, Gudiyattam for their constant encouragement.

The unstinted help received from Messrs. Sebastin, Xavier, Dass, Manikam, Irudayaraj, Jeganathan and Bakiam, is gratefully acknowledged.

The constant inspiration and encouragement received from my mother and brothers is ever cherished.

I express my sincere thanks to Mr Jesudoss, St Joseph's College, and Mr S. Venugopal for typing the manuscripts, and to Messrs. Nirmal Xerox-Centre, Tiruchirapalli for neat xeroxing of the typescript and figures.

Finally, I wish to record my acknowledgement to the CSIR, New Delhi for the award of fellowship.
