Chapter-I
Introduction ........................................... 1-19

1.1 Statement of the Problem ......................... 1-4
1.2 Conceptual Framework ......................... 4-9
1.3 Objective of the study ......................... 9-10
1.4 Hypothesis ...................................... 10-11
1.5 Methodology ..................................... 11-17
   1.5.1 Coverage of the study .................. 11-12
   1.5.2 Database for the study ............... 12-15
   1.5.3 Line of Analysis ....................... 15-17
1.6 Chapter Plan ................................... 17-19

Chapter-II
Review of Literature .............................. 20-44

2.1 Introduction .................................. 20
2.2 Review of Theories ......................... 20-31
2.3 Empirical Review ............................ 31-39
2.4 Empirical Review from the North East India
   including Assam .................................. 39-44
2.5 Conclusion ................................... 44
Chapter-III
