

Acknowledgement

I would like to express my sincere gratitude and indebtedness to my supervisor Dr. Nissar A. Barua, Reader, Department of Economics, Gauhati University, for his guidance and encouragement throughout my research. It would not have been possible for me to complete this piece of work without his help and constant support.

I would also like to express my gratitude to the head and all the faculty members of the department of Economics, Gauhati University for their support and invaluable suggestions. I will also like to express my deep appreciation to the staff of K.K.Handique library of Gauhati University for their kind assistance and cooperation in my library work.

I remain grateful to my family particularly my parents for the moral support in this academic pursuit.

I thank my wife Poonam for bearing with all inconvenience silently while I was busy with my research study. I cannot adequately express my appreciation for these in words. Finally I dedicate this thesis to my new born son Aditya.
