ACKNOWLEDGEMENT

I am greatly indebted to my Research Supervisor, Dr. R. Jeyaraman, Professor, Department of Chemistry, Bharathidasan University for his inspiring guidance and for providing encouragement as well as an environment in which this thesis could be completed.

I am grateful to Dr. M. Krishna Pillay, Professor and Head, Department of Chemistry, Bharathidasan University for showing keen interest in my progress.

I also offer my gratitude and respect to the other faculty members of the Department for their encouragement during the course of this work. My sincere thanks are also due to non-teaching staff of the Department of Chemistry, Bharathidasan University for their co-operation in the course of this work.

I am thankful to UGC, New Delhi for granting me a Fellowship during this investigation.

I wish to express my sincere gratitude to Regional Sophisticated Instrumentations Centre, IIT, Madras and Sophisticated Instruments Facility, IISc, Bangalore for recording NMR spectra and dynamic NMR. The help extended by Professor Robert W. Murray and Dr. Megh Singh, Department of Chemistry, University of Missouri-St.Louis, USA in recording some of the NMR spectra is acknowledged gratefully.

My thanks are also due to Central Drug Research Institute, Lucknow for the services rendered in obtaining mass
spectra and elemental analysis data. The help extended by Dr. S. Anandapadmanaban, Head, R&D, Hindustan Photo Films, Ooty and Professor C. S. Swamy, Catalysis Division, Department of Chemistry, IIT, Madras in the elemental analysis is acknowledged gratefully.

My heart-felt thanks are due to Professor M. N. Ponnuswamy and Mr. N. Sukumar, Department of Crystallography and Biophysics, University of Madras for solving the crystal structures presented in this work.

I thank Dr. G. Subramanian, Dr. M. Sundaraman and Dr. L. Uma for their kind help in HPLC analysis.

My earnest thanks are due to my friends and colleagues for their whole-hearted cooperation and assistance in carrying out this work. I wish to express my heart-felt thanks to Ms. K. D. Nisha, Ms. Bindu Roy and Ms. Mary Sharmila for their timely help in preparing this dissertation.
