ACKNOWLEDGEMENT

First and foremost I want to express my deepest gratitude to my guide Dr. Pradipta Borgohain, Associate Professor, Department of English, Gauhati University, without whose patient encouragement, help and supervision it would have been next to impossible to write this thesis. His advice and guidance have been invaluable to me at various stages of my research.

I am deeply grateful to Professor Nandana Dutta, Head of the Department of English, Gauhati University, for her constant support and encouragement especially during the later stages of my research. Through her wide knowledge and experience she provided me with many valuable insights both on the topic of my research and on doing research in general.

I would also like to thank my other colleagues in the Department of English, Gauhati University for the support, encouragement and concern they showed towards my research.

I also take this opportunity to thank the staff of the Krishna Kanta Handiqui Library, Gauhati University; the National Library, Kolkata; Jawaharlal Nehru Library, New Delhi; and Delhi University Library, New Delhi for their willing cooperation.

Finally, I wish to express my warm and sincere gratitude to my parents and my brother for their unfailing support and care.
