ACKNOWLEDGEMENTS

I have immense pleasure in expressing my deep sense of gratitude and indebtedness to Dr. A. V. George, Associate Professor and Head, Post Graduate and Research Department of Geology and Environmental Science, Christ College, Irinjalakuda, Kerala, for his constant inspiration, excellent guidance, personal encouragement, constructive criticism and painstaking scrutiny of the manuscript during the course of this research work.

I acknowledge my gratitude to Dr. E. V. Ramaswamy, Director and Dr. A. P. Thomas, former Professor and Director, School of Environmental Sciences, Mahatma Gandhi University, Kottayam for providing necessary facilities.

I would like to extend my thanks to Rev. Fr. Jose Stephan, Manager and Rev. Fr. Dr. Jose Thekkan, Principal, Christ College, Irinjalakuda, Kerala, for their co-operation, encouragement, and advices without which this research work would not have been completed.

I remember with gratitude the constant help, encouragement and moral support from my colleagues and staff members of Christ College, Irinjalakuda. I place on record my profound sense of gratitude to all friends, well wishers and relatives who have contributed their help either directly or indirectly during the tenure of my study.

Thanks are also due to my wife Biby Pious, daughters Navya Pious and Divya Pious, who supported and helped me to complete this work.

I thank GOD ALMIGHTY by whose grace I completed this work successfully.

PIOUS JOSEPH K
