ACKNOWLEDGEMENT

It would take pages, to acknowledge everyone who in someway or the other helped me all along my path reaching this goal, but certain individual need special thanks for their valuable help. First and foremost, with all my heart I would like to express my deepest gratitude and privilege for having been associated with Dr. P.K. Jain, M.D., M.N.A.M.S., Professor, Department of Medicine, M.L.B. Medical College, Jhansi. I feel extremely fortunate and blessed that I got an opportunity to work under his guidance. His constant teaching, supervision, valuable criticism, affection and encouragement has pruned my work time and again in the right direction and has made this difficult task possible for me. His foot prints shall always be a guidance for me in future life and his achievements shall always encourage and help me find success hereafter.

I wish to express my humble gratitude and regard to my learned and experienced teacher Prof. Dr. R.C. Arora, M.D., D.Sc., Professor and Head Department of Medicine, M.L.B. Medical College, Jhansi. He has acted as a beckon of light to me through his inspiring guidance, valuable and experienced suggestions and indispensable advice at each step in this study.

I am filled with deep sense of obligation towards Dr. S.B. Gupta, Associate Professor, Department of Social & Preventive medicine, M.L.B. Medical College, Jhansi. The luminous guidance provided by him in guiding my work time to time has helped me finish this difficult task successfully.

I am also greatly Thankful to Dr. Praveen Kumar Jain, M.D. D.M. (cardiology), Dr. Navneet Agarwal M.D. Professor Department of
Medicine, M.L.B. Medical College, Jhansi, for their constant inspiration and guidance throughout.
I am thankful to my colleagues and juniors who were a delight to work with.
Each cell of my body is indebted to my elder brother Late Shri Anoop Srivastava who is my inspiration, my mother “Smt. Pushpa Shrivastava” and my father “Shri J.P. Shrivastava”, for their love, affection, care, moral support, blessings and constant encouragement throughout this work. I am also grateful to my sister “Mrs. Nidhi Shrivastava” and brother-in-law “Mr. Manoj Shrivastava” for their constant encouragement.
I owe extremely admiration, love, care and thanks to, my sweet and loving wife “Mrs. Reshu Shrivastava” for her immense love, devotion, concern and help with which she stood by me throughout the testing times. She shall always be my treasure in life.
I shall fail all my thanks if I do not convey all my thanks and respect to all the people who took part in this work and helped it become a complete study, which reached conclusion.
