ACKNOWLEDGEMENTS

The present work is completed under the guidance of Dr. P.G. Deshmukh, Reader, Department of Zoology, Marathwada University, Aurangabad. I owe my profound regards to him for his keen interest, invaluable suggestions and constructive criticism, throughout my studies. His unfailing help and unstinted advice made this work possible.

I am grateful to Dr. R. Nagabhushanam, Professor and Head, Department of Zoology, Marathwada University, Aurangabad, for providing the laboratory facilities, and B.R. Bhonsale, Vice-Chancellor and Dr. B.H. Rajurkar, Professor and Head, Department of Hindi and the then Registrar, Marathwada University, Aurangabad, for granting me the extension of Teacher Fellowship.

I am indebted to Dr. G.P. Joshi, Secretary and the Management of Abhinav Bharat Shikshan Sanstha, Nanded, for granting me the study leave during the period of fellowship. I also offer my thanks to Principal Dr. G.D. Deshpande, for his cooperation.

Grateful acknowledgements are due to Shri J.P. Karbhari, C.M.F.R.I., Veraval; Prof. K. Hanumantrao, Dr. P. Chandramohan, Zoology Department, Andhra University, Waltair; Prof. Moghe, M.M. College, Alibagh, for providing laboratory facilities for the collection of nematodes and Dr. U.H. Mane,
Shri A.N. Sirsikar, Shri N.V. Kulkarni for providing English translations and to my friends and colleagues for their help.

I also wish to place on record my sincere thanks to Dr. T.D. Soota, Deputy Director, Zoological Survey of India, Jodhpur; Dr. M.L. Sood, Associate Professor of Zoology, Punjab Agricultural University, Ludhiana; Dr. A.N. Dunn, University of Glasgow, Prof. Rafael L’Amothe Argumedo, Instituto de Biologia, Mexico and many other workers who readily spared the reprints and to Dr. R.I. Sommerville, of Adelaide University, Australia for sparing his reprints and giving useful suggestions.

I also extend my appreciation and thanks to Mary Findlay, Veterinary School, University of Glasgow; Marilia Lima Costa, Biblioteca Central—Fiocruz, Rio de Janeiro; Librarian, Universidade Federal De Minas Gerais and Librarian, Biblioteca Central—UFMG Setor de Comunicação, Bibliografias, Belo Horizonte, Brazil; Librarian, ILLD, Biological Science Library, The University of Queensland, St. Lucia, Australia; Librarian, Woodward Biomedical Library, The University of British Columbia, Canada; Librarian, Tokyo Medical and Dental University, Tokyo; Miss Kinuko Uchiyama, Librarian, The Jikei University School of Medicine, Tokyo; Librarian, University of Kashmir, Srinagar, who have been helpful in supplying photocopies of research papers.
I wish to make full acknowledgement to the
University Grants Commission, New Delhi for the award of
Teacher Fellowship under FIP Scheme.

I would like to give my best thanks to Adv. M.M.
Rathi, Shri N.M. Mahajan, Dr. P.M. Darak, Dr. Mr. & Mrs.
G.M. Soni, Dr. Mr. & Mrs. S.S. Maniyar, Dr. R.R. Singh,
Dr. Kanchan Deshmukh, Prof. R.M. Rathi and Shri Zaidi,
for the help and encouragement.

I wish to place on record my heart felt thanks and
deep sense of gratitude to my bhabhi, Sow. Mohanbai, my
brothers Shri Atmaramji and Chi. Satyanarayan, my brother-
in-law Shri Ramnivasji Mantri and Shri & Sow. Shriniwasji
Bharadiya, for their keen interest, constant encouragement
and help without which this work would not have been
possible.

I cannot, however, refrain from paying compliments
to my wife Sow. Pushpadevi for her forbearance and
encouragement and to Chi. Laxmikanta, Nilesh and Neetin
for creating and stimulating domestic tranquility.

Aurangabad. 

June 25, 1981.
