I express my profound respect and whole-hearted gratitude to Dr. T.D. Goswami, Professor (Retd.), Department of Physics, Gauhati University and Dr. B.K. Sarma, Professor, Department of Physics, Gauhati University for their constant careful guidance and inspiration for the present work.

My Special thanks goes to Dr. U.C. Deka, Principal, B.B.K. College, Nagaon, Barpeta for permitting me to undertake this research work.

I also gratefully acknowledge the help of University Grants Commission, New-Delhi in the form of a teacher fellowship under Faculty Improvement Programme to complete the research work.

I express my sincere thanks to the Head of the Department of Physics, Gauhati University, Guwahati, for providing necessary laboratory facilities during the course of my research work.

I express my heartfelt thanks to the teaching staff of the department of Physics, Gauhati University, Guwahati, and to my colleagues at B.B.K. College, Nagaon, Barpeta, for their encouraging attitudes and best wishes during the course of this work.

I express my sincere thanks to Dr. T.V. Ramachandran, Ex. Senior Scientist of Bhaba Atomic Research Centre (BARC), Mumbai for his advice and kind help during this work particularly in computer programming.

I am also grateful to Dr. P.C.Deka, Head & Associate Professor, Department of Physics, Rangia College, Rangia, for his constant advice and help.

I offer my sincere thanks to Dr. Subir Sarkar, Assistant Professor, Department of Physics, Arya Vidyapith College, Guwahati, for his kind help in computation.
I am also grateful to all the office members and technical staffs of the Department of Physics, Gauhati University, Guwahati, for their kind help during this work.

Special thanks are also due to Dr. Subhash Rajbonshi and Mr. Jayanta Handique, Department of Electronic Science, Gauhati University, Guwahati, for extending their kind co-operation during the course of this work.

Thanks are due to Mr. Harekrishna Haloi and Mr. Sarat Talukdar, Associate Professors of Geography of Pub Kamrup College, Baihata Chariali and Bajali College, Pathsala for providing necessary information about the geology of the investigated areas.

I am extremely indebted to my beloved mother, my wife and family members as without their wishes and moral support I wouldn’t have been able to complete this work.

I offer my sincere thanks to Mr. Naba Choudhury, Dr. Pratyush Purakayastha for their encouragement and kind help during this work.

I extend my thanks to Dhiresh Chakrabarty, Balen Choudhury, Kamal Sarma and Mitali Das for their kind inspiration and help during this work.

Last but not the least, I offer my thanks to Rajib for his kind help during the printing of this thesis.

(Hiranya Kumar Sarma)
