List of Tables I
List of Figures IV
Abbreviations V

Chapter 1: Introduction 1-23

1.1 Statement of the problem 1
1.2 Objectives 5
1.3 Research Questions 5
1.4 Significance of the Study 6
1.5 Data Organization 11
1.6 Data Sources 12
1.7 Sampling Techniques 12
1.8 Research Methodology 14
1.9 Limitations of the Study 17
References 19

Chapter 2: Review of Literature 24-48

2.1 Ageing a Global perspective 24
2.2 Factors contributing to the ageing process 25
2.3 Social and economic characteristics of the elderly 28
2.4 Theories of ageing 30
2.5 Marital status 32
2.6 Living arrangements 33
2.7 Women as providers of care 35
Chapter 3: The Study Area

3.1 Geographical Profile
  3.1.1 Physiography
  3.1.2 Natural vegetation
  3.1.3 Soil
  3.1.4 Climate

3.2 Surveyed Localities

3.3 Population Profile

3.4 Density of Population

3.5 Dependency Ratio

3.6 Birth Rate and Death Rate

3.7 Fertility Rate

3.8 Level and Trend in Literacy Rate

3.9 Social Structure

References

Chapter 4: Aged women and rural-urban differences

4.1 Introduction

4.2 Demographic profile of elderly women
Chapter 6: Trials and tribulations of the aged women 139 - 162

6.1 Introduction 139
6.2 Health and Ageing 140
6.3 Food Habits and Nutrition 147
6.4 Leisure 148
6.5 Life preparatory measures 151
6.6 Awareness about support schemes 152
6.7 Involvement in domestic issues 155
6.8 Findings 158
References 161

Chapter 7: Summary and Conclusions 163 - 179

7.1 Summary 163
7.2 Findings 166
7.3 Suggestions 173
References 179

Bibliography 180 - 191

Appendices 192 - 198
