ACKNOWLEDGEMENTS

At the very outset, I would like to express my feeling of indebtedness to my guide Dr. Sudripta Das, who not only guided me and supervised my work but also provided requisite never-failing encouragement and moral support. I am extremely grateful to him for giving me an opportunity to learn, think and work in a healthy and liberal environment at Molecular Biology Lab, Tocklai Experimental Station, TRA, Jorhat.

I would also like to acknowledge my co-advisor Dr. Giasuddin Ahmed for his intellectual guidance, valuable suggestions and timely help in various issues of the research work.

I sincerely thank Dr. Rupjyoti Bharali, Head, Department of Biotechnology, Gauhati University, for her kind support, guidance and enthusiasm in the research work.

I would also like to express my gratitude to Department of Science and Technology (DST), Govt. of India, for the funding to carry out the research

I deeply acknowledge the generous gift from Dr. Bill Taylor, Commonwealth Scientific and Industrial Research Organization, Australia, for providing me with the vectors used during my research work.

I extend my heartfelt thanks to Dr. Mridul Hazarika, then Director, Tea Research Association, Tocklai Experimental Station, (presently Vice chancellor Gauhati University) who has given me the opportunity to join the Department in the year, 2008 and initiate my research work.
This endeavor without the people around my work bench would have been empty....my lab mates. I would like to applaud Sangeeta Borchetia, Bornali Gohain, Sushmita Gupta, Priyadarshini Bhorali, Tirthankar Bandyopadhyay, Raju Bharalee, Sourabh Kumar Das, Prasenjit Bhagawati, H. Ranjit Singh, Parveen Ahmed, Niraj Agarwal, Setu Chakraborty, Chiranjana Bora, Ripunjoy Dutta, Adityada and all others for being a great helping hand all along and for creating a fun-filled work environment.

I would also like to express deepest gratitude to all my family members. Words are not there which can express my feelings for my parents Late Mr. Hiranmay Bhattacharyya and Renu Bhattacharyya whose love, patience, pain stacking sacrifice, encouragement and support has helped me to come across the periods of difficulties with cheer. I am further indebted to my husband Jyotibon, who always stood by me in worst situations, motivated me to move forward and emotionally supported at hostile times of life. The persistence support in times of need and difficulty from my in-laws .....Deuta, Maa, Bhai, Papu and all others will always be remembered and can’t be scripted.

Last but not least, I would like to offer my regards to all those who have helped me in one or the other way towards completion of this research and thesis work.
