Acknowledgement ................................................................. I-III  
List of Tables ........................................................................ IV-X  
List of Figures .......................................................................... X  

**Chapter – I: Introduction** .................................................. 1-49  

1.1 Statement of the Problem .................................................. 1  
1.2 Review of Literature ......................................................... 5  
1.3 Objective of the Study ...................................................... 29  
1.4 Research Questions .......................................................... 29  
1.5 Rationale of the Study ....................................................... 30  
1.6 Study Area ....................................................................... 30  
1.7 Research Methodology and Data Source ............................ 33  
1.7.1 Data Sources and Methods of Data Collection .............. 34  
1.7.2 Sample Frame ............................................................... 34  
1.7.3 Data Analysis .............................................................. 35  
1.8 Terms and Concepts used in the Study ............................... 36  
1.9 Line of Analysis .................................................................. 40  
1.10 Limitations of the Study ................................................... 41  
1.11 Notes and References ...................................................... 42  

**Chapter – II: Unorganised Sector: The Concept and Definition** 50-99  

2.1 Origin of the Concept ....................................................... 50  
2.2 Dualism and Informal Sector ............................................. 51  
2.3 Definition of the Unorganised Sector ................................ 59  
2.3.1 International Initiatives ............................................... 59
3.13 Growth of Organized and Unorganized Sector Employment in Assam

3.14 Industrial Distribution of Unorganized Sector Workers in Assam
