ACKNOWLEDGEMENT

I express my sincere gratitude to Prof. V.A. Chandrasekaran, Head, Department of Geology, School of Earth Sciences, Bharathidasan University, Tiruchirappalli for his meticulous guidance, valuable suggestions and above all, for his constant encouragement during the research work.

I express my sincere thankfulness to Mr. K. Santhanam, Secretary, National College Council, Tiruchirappalli; Dr. M. Nagarajan, Principal, National College, Dr. P.R. Srinivasan, Vice Principal, National College, Dr. S. Sathyamoorthy, Professor and Head, Department of Geology, Dr. K. Anbarasu, Mr. S. T. Venkatraman, Dr. R. Baskaran, Dr. V. Kumar, Dr. D. Srinivasan, Mr. S. Sivakumar, teaching faculty, Department of Geology, National College, Tiruchirappalli for their encouragement and support.

I wish to thank Dr. M. Manivel, Reader and Head, Department of Geology, Bharathidasan University for his encouragement during the course of my research programme. I am also thankful to Dr. A. Ganesh, Professor and Head, Department of Geography, Dr. K. Kumasamy, Professor, Department of Geography and Dr. S. Aruchamy, Reader, Department of Geography for their kind co-operation. I am thankful for the administrative support provided by Bharathidasan University, Tiruhirappalli.
I take this opportunity to thank the Director and Scientific Officers of Central Electro Chemical Research Institute, Karaikudi, Tamil Nadu for permitting me to carry out geochemical analysis of rock samples with Atomic Absorption Spectrometer and X–Ray Diffractometer. I wish to express my sincere thanks to Dr. V. T. Sridharan, Department of Botany, National College, for his assistance while taking microphotographs and Mr. Raja Singh, Indian Digital Arts, Tiruchirappalli, for processing the photographs. I wish to thank profusely my colleagues, Dr. T. Seshasayee, Dr. N. Jawahar Raj and Dr. V. Kannan, Faculty, National College, for their help in a variety of ways.

I wish to offer my thanks to the officers and other staffs of Geological Survey of India, Chennai, Oil and Natural Gas Corporation, Chennai, Geological Society of India, Bangalore for their ready help during data and literature collection. Help rendered by Mr. James Nataraja Singh and Mr. Kanishkan, Superintending Geologists of Geological Survey of India, Chennai and Mr. P.N.Anantha Narayanan, Deputy General Manager and Mr. Venkatraman, Superintending Geologist, Oil and Natural Gas Corporation, Egmore, Chennai, deserves mention.

I would like to thank Prof. G. Victor Rajamanickam, Department of Industries and Earth Sciences, Tamil University, Thanjavur, for permitting me to use his laboratory facilities. Special mention must be made of Dr. A. Angusamy and Dr. P. M. Mohan,
Reader and Head, Centre for Ocean and Island Studies, Pondicherry Central University, JNRM Campus, Port Blair for their help in this regard. Dr. R. Nagendra, Reader in Geology, Anna University, Chennai is gratefully acknowledged for the useful discussion. I would like to thank Prof. Hakuyu Okada, Oyo Corporation Kyushu Office, Fukuoka, Japan, Prof. Michal Krobicki, University of Mining and Metallurgy, Krakow, Poland and Prof. Chen Pei – Ji, Nanking Institute of Geology and Palaeontology, Academia Sinica, Nanking, China for providing me related literature regarding the present research work.

I am grateful to the Managing Director, Dalmia Cement (Bharat) Limited, Dalmiapuram, Tiruchirappalli, Mr. Parveen Gani, Managing Director, Parveen Mines and Minerals Limited, Lalgudi, Tiruchirappalli for their co-operation and help extended to me during my field work. My thanks are due for Mr. Samiraj, Section Cutter, University of Madras, Chennai, for excellent microsections prepared by him for the present work.

Further, I wish to thank Dr. M. Ramkumar, Mr. B. Gowrishankar, Mr. G. Sivanatarajan, Mr. Sathish Kumar, Mr. Ilansooriyam, Mr. T. Srikumar, Mr. M. Maheswaran, Mr. R. Ramar and Mr. S. Karthikeyan, former students of the Department of Geology, National College, and Mr. K. Sivakumar, Mr. T. Gangaimani, Mr. Ferozkhan, Mr. Selvaraj, Mr. A. Ilanthirayan, Research Scholars for their helps during different stages of my research work.
I wish to acknowledge with thanks for the help rendered by all the Lab Assistants of the Departments of Geology and Botany National College, Tiruchirappalli. I express my sincere thanks to Mr. A. Muthukrishnan, Research scholar, Department of Geography, Bharathidasan University, Tiruchirappalli, Mr. G. Baskar, Mr. S. Senthilkumar and Mr. A. Augustin Ravi, M/s CADD Creators, Tiruchirappalli, for their assistance in the preparation of maps and diagrams for the thesis. I acknowledge with thanks the assistance rendered by Mr. P. Santhana Krishnan during the course of my research programme.

I am grateful to my father, brothers and other family members for their constant encouragement. I am thankful to my wife and daughters for their patience, moral support and sacrifices they made during the period of present work.
