ACKNOWLEDGEMENT

Words can hardly express my profound debt of gratitude to my beloved and respected guide Dr. N. Thajuddin, M.Sc., M.Phil., Ph.D., Reader, Department of Microbiology, Bharathidasan University, Tiruchirappalli, for his sustained support, throwing open all facilities to my disposal, incessant guidance and supervision, inspiring and valuable suggestions, efficient instruction and constant encouragement throughout the period of my study.

I express my sincere thanks to Dr. K. Vijayaraman, Head, Department of Zoology, Periyar E.V.R. Govt. College (Autonomous), Tiruchirappalli, for his constant encouragement and support my work.

I express my indebtedness to Prof. G. Subramanian, Former Director NIMC, Bharathidasan University, Tiruchirappalli, for his encouragement.

I extend my gratitude to Prof. L. Uma, Director, National Facility for Marine Cyanobacteria, Bharathidasan University, Tiruchirappalli, for providing lab facilities.

I express my indebtedness to Dr. D.D. Awasthi, Father of Indian Lichenology, for his encouragement during the initial period of my study.

I express my indebtedness to Dr. D. K. Upreti, Scientist, Lichenological Laboratory, National Botanical Research Institute, Lucknow, provided me lab facilities, training for the identification of lichen samples and constant support in the entire studies.

I sincerely express my indebtedness to Dr. Sanjeeva Nayaka, Dr. Divakar, and Dr. Santhanu Chattergee, Scientists, Lichenology Laboratory, National Botanical Research Institute, Lucknow, for their technical assistance and moral support.

It is with great pleasure that I thank Mr. G. Muralitharan, Research scholar, Department of Microbiology, Bharathidasan University, Tiruchirappalli, and Mr. C. MuthuKumar, who had supported me in all kind of work and especially in molecular studies and their constant support during the course my research.

I express my sincere thanks to Prof. K. V. Krishnamoorthi, Former Head, Department of Plant sciences, Bharathidasan University, Tiruchirappalli who had given valuable suggestions regarding classification of lichens.
I gratefully acknowledge and express my sincere thanks for Mr. R. Ramamoorthy, Research Scholar, TAMASEK Laboratory, National University of Singapore, Singapore, friendly support and providing the necessary facility to do this work sequencing of genome.

I express my gratitude and thanks to Dr. George John, Reader, Department of Zoology, Periyar E.V.R. Govt. College (Autonomous), Tiruchirappalli, who had rendered help in always.

My sincere thanks are also due to Mr. N. Sivakumar, Department of Microbiology, Srimad Andavan Arts and Science College, Tiruchirappalli, Mr. V. Saravanan, Lecturer Department of Computer Science, Hindustan College of Arts and Science, Coimbatore, Ms. A.R. Lavanya, Lecturer, Indira Gandhi College for Women, Tiruchirappalli, for their valuable help.

I owe a special word of thanks to Mr. A. Dhiravi Doss, Technician, Department of Plant Science, Bharathidasan University, Tiruchirappalli, Mr. Pandian, and Mr. Manikandan for having been kind support for collection of samples in Yercaud and Kollihills to this work.

I personally record my heartfelt thanks to the Management of Thanthai Hans Roever College, Perambalur, and PSR Engineering College, Sivakasi who helped in all possible ways for the successful completion of this work.

I owe a special depth of sincere thanks to Dr. V. Ramadoss, Mr. I. Ganesh Moorthy, and Mr. G. Muthu Venkatachalam, PSR Engineering College, Mr. A. Seenivasan, Annamalai University, Leishman John Thambu raj, Madurai Kamaraj University, for their kind cooperation.

I gratefully acknowledge and express my deep sense of gratitude to Mrs. R. Rajeswari, Lecturer, Department of Biotechnology, PSR Engineering College, Sivakasi, for her support especially taking reprints and collection.

I thank all my teachers who gave me the vision of education.

My thanks are due to all Research Scholars of the Microbiology and National Facility for Marine Cyanobacteria, Bharathidasan University, Tiruchirappalli, for their brotherly advice, valuable and friendly support.
My special thanks to the Librarians, NBRJ, Lucknow, Bharathidasan University, Trichirapalli, Madurai Kamaraj University, Madurai for providing facility to take reprints to my study.

I owe a special depth of thanks to Mr. E. Joe, Photographer, made lively photos for my study.

My heartfelt thanks are due to my Uncle, Aunt and my Wife, Daughter and Brother in laws for their parental care, hospitality, love and support showered on me.

There is no need to thank a Mother but it's a duty of a son to respect her. Yes I do respect my Parents, encouraged me as a friend and helped me in all possible ways without any hesitation. My thanks are due to my family members who helped me and made me feel that they are always there for me.

I thank Lord Almighty for his blessings showered on me.

Last but not least, my heartfelt thanks to my beloved brother Mr. R. SathisKumar and my sister R. Anithra Devi and brother in law Mr. S. Aravindan for their sincere help, understanding and kind co-operation during the entire period of my study. I am also thankful to all my friends and relatives for their love and affection.

Shyam Kumar, R
