Photos

PICTURE 1: Red Ribbon Tree

Picture 2: Commemoration of the ‘31st International Candle Light Service’ on 18th May 2014 in Mokokchung on the theme ‘Keeping the light on HIV’.
Poverty does not cause AIDS but it creates an environment which allows it to flourish.

In turn HIV/AIDS perpetuates poverty.

“"AIDS is a war against Humanity"”
Nelson Mandela

There is Hope
AIDS rates can fall:
Uganda: 1990 30%, 1999 9%.
This appeal wants to help give similar hope to Angola & Mozambique.

"We can make a difference..."
Desmond Tutu
