ACKNOWLEDGEMENTS

I wish to express my sincere gratitude to my distinguished supervisor Associate Professor, Dr. S.N. Ghosh, Department of Psychology, Himachal Pradesh University, Shimla, for his continued guidance, encouragement and support throughout the period of this study. In spite of his busy schedule, he always made himself available for any help at any odd hours. His expert guidance and invaluable inspiration has helped me to complete the work.

I am grateful to Dr. Robert Karasek, Professor, Department of Work Environment, University of Massachusetts Lowell, USA, for giving me permission to use his 'Job Content Questionnaire'. Without this scale this manuscript would not been completed. I am also thankful to him for providing various research articles during my research period.

I am thankful to the teaching and non teaching staff of psychology department, H.P. University, Shimla for their cooperation during the study.

I am thankful to every Doctor and Manager, who extended their cooperation and patience during the lengthy and tiring process of data collection in the present study.

I would also like to take the opportunity to express my thanks to Professor Dr. Bal Krishan Bali, Elegance The Mall Shimla, who has been instrumental in analyzing the data during the course of the study.

I gives me immense pleasure to thank all the faculty and non teaching staff of my IBS Family, for their continuous support and encouragement.

I express my sincere gratitude to Col. T.D. Prasad, Associate Dean, Soft Skill, IBS, Hyderabad, for his encouragement and motivation.

I express my deep regards to Dr. Babita, Soft Skill Coordinator, IBS, Chandigarh, for her continuous support, encouragement and motivation.

I am grateful to my friend as well as my colleague Mr. Sohan, Student-Counselor, IBS, Chandigarh, for taking care of my responsibilities during my absence from the college. Without his support it was very difficult to complete my work.
I am thankful to Prof. Ginni Anand, Prof. Akhiwalia, Dr. Pooja Arora, Prof Pranena, Dr. Arunanchal, Dr. Anupama, faculties of various departments, IBS, Chandigarh, for their support and encouragement.

I am thankful to all my students of IBS, Chandigarh, for their cooperation, especially the Batch of 2010.

I would like to take the opportunity to express my sincere gratitude to Dr. Sunil Sharma, Assistance Professor, H.P University, Shimla, who was eveready to help me in my venture and was a great source of encouragement and moral support.

I am thankful to retired Professor Dr. D. K Malhotra for his encouragement and support throughout the period of this study.

I would like to express my thanks to my friends, Deepti, Dr. Anita, Dr. Anamika, Dr. Shaile, Dr. Anupam, Dr. Meenakshi, Aradhana, Dr. Mousmai, Babhuti, and Meenakshi Karan for there unforgettable support and encouragement.

No expression of gratitude is complete without the recognition and contribution of my brother, Kapi, my friend Deepika and Pooja for their selfless persuasion and inspiration that ultimately helped me to undertake this endeavour.

With personal touch of emotion, I express the heart felt gratitude to my mother who helped and encouraged me to achieve my educational goals along with my father who also supported me financially, without which it was not possible to pursue and complete his work.

I am grateful to Mr. Rachhipal Singh and Mr. Kapur for giving the Thesis the present form.

Shipra Khanna
