

Acknowledgement

Throughout my Ph.D work, many people have contributed, either directly or indirectly. Now the time has come to express my thanks to those people.

First of all I would like to express my heartfelt gratitude to my guide Prof. Helen Kumari Saikia for her supervision, advice and inspiration during my research work. I am indebted to her for her valuable suggestions, kindness and constant encouragement.

I am thankful to Gauhati University for providing me the facilities necessary to carry out my research work. I am grateful to the authority of GIMT for giving me the opportunity to carry out my research work.

I extend my thanks to Prof. U.N.Misra for his support and encouragement and at the same time I wish to thank my colleagues Madhumita , Debasish, Kukil and Manashi for their friendship and co-operation.

I want to express my love and appreciation to my friends Debajit, Manoj, Raju, Utpal and Sailen Da for their support and help.

I am extremely grateful to my grandmother, maternal uncle and aunt for their blessings on me. Finally, I express my sincere thanks to my parents, brother and sister for their support and instilling confidence in me.
