ACKNOWLEDGEMENT

The work presented in this thesis emerged through the joint effort of lots of people without which this work would have never been completed.

First of all the author wants to thank to Dr. B.S. Bhau, Senior Scientist, Medicinal, Aromatic and Economic Plants Division, North East Institute of Science and Technology, Jorhat and Dr. Manab Deka, Professor, Department of Biotechnology, Gauhati University, Guwahati, for their constant encouragement, valuable suggestions, brainstorms and reviews throughout the course of study and preparation of the thesis.

The author wishes to convey her whole hearted gratitude to Dr. P. J. Handique, Head, Department of Biotechnology, Gauhati University, Guwahati and all the Faculty members of the Department of Biotechnology, Gauhati University, Guwahati, for their precious suggestions during the course of this study.

The author expresses her sincere gratitude to the Director, North East Institute of Science and Technology, Jorhat, for his kind permission to carry out the research work.

The author offers her gratitude towards Dr. P.B. Kanjilal, the former Head, Medicinal, Aromatic and Economic Plants Division, North East Institute of Science and Technology, Jorhat, for his active guidance, inspired suggestions and untiring efforts to include scientific aptitude in the author.

The author expresses her earnest gratitude towards Dr. P.R. Bhattacharya, Head, Medicinal, aromatic and Economic Plants Division, NEIST, Jorhat, Dr. B.P.
Mishra, Dr. S.P. Saikia, Mrs. R. Kotoky, Dr. P.R. Bhattacharya and Dr. M. Bhunya for their constructive suggestions during the period of investigation.

The author is highly grateful to all the staff of NEIST Experimental Farm, Bhaimon da, Dino da, Daiti, Ramu da and Kalu da along with the labours for providing necessary help in experimental plot preparation and field data collection.

It is also great pleasure for the author to acknowledge her fellow project mates, Mousumi, Tanmoy, Kalyani, Rajesh, Pallavi, Animesh and Rafique for their constant cooperation and valuable help. The author is also thankful to her roommate Joymati for making the stay at the hostel comfortable.

The author is immensely pleased to express her heartful gratitude to her beloved father late Dr. Karmeswar Rabha whose inspiration and mental support during his lifetime enabled her to reach this stage of her academic career. The author owes a great deal to her beloved mother, Mrs. Purnima Das Rabha and her elder brothers Pankaj and Kaushik whose affection and blessings were the source of inspiration during the entire work. The author is also thankful to her father in-low and mother in-low for their believe in her.

Lastly, but not the least the author is very much thankful to her husband, Dr. Robin C. Boro for his continuous encouragement and support without which it may not be possible for her to complete the research work.

Dated: Jorhat
