

LIST OF TABLES

1. Wetlands of Margherita sub-division
2. Water Standards
- 3.1. Comparative account of physico-chemical & Elemental characteristics of the wetlands (2007)
- 3.2. Comparative account of physico-chemical & Elemental characteristics of the wetlands (2008)
- 3.3. Mean values of physico-chemical and Elemental characteristics of the water of Mota beel and Patkai lake during 2007-2008
- 4.1. Seasonal variation in sediment soil characteristics of Mota beel and Patkai lake during 2007
- 4.2. Seasonal variation in sediment soil characteristics of Mota beel and Patkai lake during 2008
- 4.3. Comparison of sediment soil characteristics of Mota beel and Patkai lake during 2007-2008
- 5.1. Diversity of Phytoplankton groups recorded in Mota beel and Patkai lake during study period
- 5.2. Diversity of Zooplankton groups recorded in Mota beel and Patkai lake during study period
- 6.1. Seasonal variation in numeric abundance (μ^{-1}) and percentage composition of plankton in Mota beel and Patkai lake during 2007
- 6.2. Seasonal variation in numeric abundance (μ^{-1}) and percentage composition of plankton in Mota beel and Patkai lake during 2008
- 6.5. Zooplankton Diversity indices in Mota beel in various seasons
- 6.6. Zooplankton Diversity indices in Patkai lake in various seasons
- 6.7. Phytoplankton Diversity indices in Mota beel in various seasons
- 6.8. Phytoplankton Diversity indices in Patkai lake in various seasons
- 7.1. Fish Diversity recorded in Mota beel and Patkai lake during study period
- 7.2. Fish Diversity indices
- 7.3. Comparative account of Fish Diversity of Mota beel and Patkai lake during 2007-08
