It is indeed a great privilege for me to have had the opportunity to express my profound sense of gratitude and indebtedness to my revered Research Guide Dr. N.N. Barman, Ex. Principal, Head of the Department of Medicine, Guwahati Medical College Hospital, Former Dean of Faculty of Medicine, Gauhati University, Guwahati, Research Guide, Gauhati University, Member, Academic Council, K.K.H.S.O.U., Assam, whose masterly supervision, able guidance and timely suggestions have made a clear way to complete this uphill task. His untiring efforts shall remain like a polar star for my voyage through uncharted sea. His sympathetic and compassionate approach during my moments of despair shall remain a lifelong memory for myself.

I owe my sincere respect to Prof. (Dr.) D. Kalita, Principal, Govt. Ayurvedic College & Hospital for allowing me to conduct the research work in the Hospital and helping me during my entire research work.

I express my sincere gratefulness to Prof. (Dr.) B. P. Sarma and Prof. (Dr.) R. K. Sharma for their co-operation, encouragement shown to me in completing this work. Their help are highly venerated.

With regards I express my heartiest gratitude to Dr. L. P. Dei for her invaluable suggestion in my enigmatic situation I come across.

I also extend my heartiest thanks to Prof. (Dr.) H. K. Sarma (FAAMC) for his time to time valuable advice and guidance.

I acknowledge my thanks to B. Kalita statistician for his reliable support and careful supervision which was very essential in shaping the clinical profile, including the various data’s and statistical analysis.

I express my sincere gratitude to Ex. Prof. (Dr.) B. Baishya, Ex. Prof. (Dr.) O. P. Gupta, Prof. (Dr.) S. K. Chakravarty, Prof. (Dr.) A. K. Sarma, Prof. (Dr.) B. Das, Prof. (Dr.) D. Bhagawati, Prof. (Dr.) K. C. Barman, Prof. (Dr.) B. Deka, Prof. (Dr.) P. J. Baishya for their valuable suggestions and moral support.
I extend my thanks to Dr. Dilip Kr. Goswami for his brotherly affection and valuable suggestion.

I cannot forget the help and timely support of Dr. K. Barman, whom I consider as my younger brother.

I express my special thanks to my departmental colleagues and friends Prof. (Dr.) Y. B. Humtsoe, Dr. K. Khakiary, Dr. J. Boro for their valuable suggestion and support.

At the same time, I remember my respected father Late Dr. K. C. Goswami, and mother Late Mrs. L. Goswami with a great dedication towards them with whose blessing and proper nourishment, I have been able to reach this height. I am also very much indebted to my elder brother Hiranya K. Goswami, Hirendra Kr. Goswami, Tapan K. Goswami and elder sister Himani Goswami for encouraging me with support to continue my higher education.

I am very much thankful to H. Kr. Goswami my elder brother and Man (M. B. C.) for their strenuous and flameless effort in editing, setting and designing in Computers in an excellent way to bring out this assiduous work.

I never forget my beloved wife Mrs. Barnali Bhattacharyya, and my daughter Jagriti for their constant encouragement and inspiration.

It is my great pleasure to acknowledge the help received from the staff of Laboratory and Library of Govt. Ayurvedic College & Hospital, Guwahati – 14.

Lastly, I thank to the Hospital staff, my patients and to all those persons names of whom my memory fails to recollect.

For the present work emerged out, I deemed it as my great fortune and blessings of the ubiquitous Almighty the Lord of Lords Sri Jagannath.

Date: 18/6/13.
