ACKNOWLEDGEMENT

I am deeply grateful to my revered teacher and guide Prof Dr. M.M.Prabhakar (M.S.Ortho) who stood behind me as a philosopher, guide and teacher at every moment during the course of my study. With his inspiring teaching, able guidance, valuable suggestions, sustained devotion and meticulous attention to details, the work could be completed. The stress and strain of work became lighter and interesting under his sympathetic and encouraging attitude.

Dr.M.M.Prabhakar

He took keen interest in the study and offered his noble guidance, valuable suggestions, constructive criticism and intellectual stimulation for completing this study in the present form.

It is a matter of great privilege for me to express my sincere thanks to all those who helped me through their expert guidance, active co-operation and goodwill in completion of this study even at the cost of their inconvenience.

I owe a debt of gratitude to them which cannot be expressed in the mere acknowledgement of the exceptionally considerate and consult assistance rendered to me for giving final shae to this report. It is indeed a great honour and privilege to be guided by them.
Special thanks are expressed to all the Medical and Nursing experts for their valuable co-operation for the tasks related to the study. My special thanks to Dr. Dayalal Patidar, Principal, Joitiba College of Nursing, Bhandu, Gujarat for his professional guidance, technical support and invaluable suggestions helped me to complete this research study.

Dr. H.S.Tiwari Assistant Professor (Biostatistics), Smt. NHL Municipal Medical College, Ahmedabad deserves special thanks and appreciation for his patience and laborious help for analyzing and editing tasks for the study.

Words acknowledgment would remain incomplete, if I do not express my sincere and deep sense of indebtedness to my loving Son for his unconditional support encouragement and prayer during the entire period of my study.

I thank all the persons who directly or indirectly helped me for this study.

Above all, I express my deep sense of gratitude to God Almighty for His abiding grace which made it all possible.

Pragna P.Dabhi
