ACKNOWLEDGEMENTS

I offer my sincere and deepest sense of gratitude to Prof. Dimbendra Kr. Mahanta, Research Supervisor, for his constant encouragement, guidance, constructive criticism and valuable inputs throughout the period of my research work.

I express my gratitude to Prof. R. Dutta, HOD, Mechanical Engineering of Assam Engineering College, Guwahati for providing me the opportunity to carry out the research in the department. In this regard co-operation of all faculties and supporting staff of the department is highly acknowledged.

I profoundly express my gratefulness to Prof. Biswajit Ghosh, Director, School of Energy Studies, Jadavpur University, Kolkata, the person who germinated in me the interest on gasification technology.

I am grateful to Mr. H. K. Bhattacharya, Principal of H.R.H. The P.O.W. Institute, Jorhat for his encouragement and support. I am thankful to my well-wishing supportive colleagues who encouraged me to complete this toilsome journey.

I am privileged to express my gratitude to Dr. Anjana Kakoti Mahanta, Professor and HOD, Computer Sc. Department, Gauhati University and Dr. Reeta Sharma, Principal, Jorhat Engineering College for their benevolence and concern.

The spontaneous interest shown by a number of my beloved students for their quest of learning on the new technology propelled me to overcome many difficulties leaving aside any constrains there might be. My heartfelt thanks go to all of them. Special thanks to Monjit and Dip Jyoti for their wholehearted involvement and help.

The financial support of DSIR, Ministry of S&T, Govt. of India under the TePP scheme and co-operation in this regard from Mr. Dipankar Neog, Scientiest NEIST, Jorhat is duly acknowledged. The Centre for Energy and Chemical Engineering Department of IIT Guwahati do deserve due acknowledgement for providing experimental data on a fuel.

I acknowledge the assistance of Mr. S. Roy, who as the welding shop instructor at P.O.W. Institute, helped me in fabricating the very first gasifier. I am thankful to Mr. Plabon Sharma, proprietor of M/S Trishakti Steels Works, Jorhat and his welding expert Paresh Da along with assistant Bhuyan for their dedicated service.
I am thankful to Bhaskar Jyoti Dutta, proprietor of Digital World, JEC Road, Jorhat for his prompt service in printing and binding of the thesis.

I acknowledge the inspiration and support of all my family members and well-wishers. I am ever indebted to my father for all my academic achievements. Thanks to my brother Gaurab and cousin Suranjana for their supportive role.

Thanks to my wife for her forbearance and support. My two little kids Lisini and Krishanu did a great job by sparing me from being their playmate for quite a long time.
