ACKNOWLEDGEMENTS

I with immense pleasure take the opportunity to express my deepest sense of gratitude and indebtedness to my supervisors, Prof. P. J. Handique, Head, Department of Biotechnology, Gauhati University, Guwahati and Dr. A. A. Mao, Joint Director, Botanical Survey of India, Itanagar for their illuminating guidance, keen interest, highly esteemed suggestions and encouragement throughout the course of investigation and preparation of the thesis.

I express my most sincere gratitude to Dr. B. K. Sinha, Joint Director, Botanical Survey of India, Eastern Regional Centre, Shillong for providing all facilities for carrying out the investigations. I am also deeply obliged and thankful to Dr. S. Kalianmooorthy, Scientist, BSI for help and suggestions at the beginning of research programme.

I am extremely thankful and deeply obliged to Dr. Sushma Dave, Central Arid Zone Research institute, Jodhpur for her constant encouragement during the mycorrhizal studies. I am highly grateful to Dr. S.P.S. Khanuja, Former Director, Central Institute of Medicinal and Aromatic Plants, Lucknow for allowing me to carry out the oil analysis work at CIMAP.

I would like to acknowledge Department of Biotechnology (DBT), Govt. of India for providing me financial support in terms of fellowship by which i am able to complete my research smoothly.

I am extremely thankful to all the Scientists and research scholars of BSI, Analytical Chemistry Division, CIMAP and Department of Biotechnology, Gauhati University for their constant inspiration and help. Special thanks to my close friends Sanjoy Gupta and Ankita Katoky for their help and support throughout my research work.

I express my sincere thanks to Dr. N. C. Talukdar, Director (i/c), Institute of Bioresources and Sustainable Development, Imphal and all my colleagues of Regional Centre of Institute of Bioresources and Sustainable Development, Gangtok specially Dr. L. S. Singh, Dr. P. K. Bhardwaj and Dr. S. S. Thorat for their constant inspiration and moral support during the manuscript editing for bringing it out so nicely in time.

Finally, but most importantly I fail to chain words to describe the gratitude and sense of obligation for showering blessing by my parents for their love, never ending support, advise and encouragement throughout my life for which i am here now. Also thanks and love to my most lovable sisters for their love and moral support during my research work.

Last but not the least, only feelings can express my thankfulness to my best friend and loveliest wife Liza. It is your unconditional love, immeasurable support, patience and sacrifices that infused in me a special strength and balance. I would have not made it through without you.

I am always grateful and blessed by the almighty, GOD for giving me self confidence and patience to achieve my goal without any fear.

(JAYASHANKAR DAS)
