"Gratitude is the memory of the heart"

In all closely-knit, complex, interwoven and intricately social systems, such as occurs. It is obvious that nothing of significance can ever be accomplished without the act of assistance, word of encouragement and the gesture of helpfulness from the other members of the society. This work is no exception.

At the utmost, I do express my deep sense of gratitude and sincere regards to my esteemed guide and supervisor Dr. A Borkotoki, Professor Department of Zoology, Gauhati University, Guwahati, Assam for showering upon me immense and immeasurable cooperation, untiring encouragement and scholastic guidance throughout the course of my work. Her valued art of teaching, dedication, sincerity, incredible patience and encouragement, helped me in accomplishing this work.

I feel the inadequacy of my diction to find a more suitable for a wholehearted thanks to Dr. Sujay Singh, CEO President, Imgenex India, Bhubaneshwar, for his expert guidance, continuous encouragement, support throughout the tenure of my research work at the R&D facility, Imgenex India. And above all, his amiable and fatherly personality have always inspired and encouraged me to strive for excellence.

I do take this occasion to acknowledge my regards to Dr. R.K. Bhola, Professor and Head, Department of Zoology, Gauhati University, Assam. I want to convey my sincere
gratitude to all the respected teachers of the Department, for their encouragement and apperition in the whole tenure of my research work. And I also want to thank administrative staff and all other staff members of, Gauhati University, Assam for their help and co-operation.

I avail this opportunity to express my deep sense of reverence and gratitude to Brig. B K Singh (Retd), Director, Imgenex India, Bhubaneshwar, for kind support and co-operation to carry out my research work at the R&D facility, Imgenex India. And I also want to convey my gratitude to Mr. S. Kar, Administrative Manager, and other staff members of Imgenex India, Bhubaneshwar.

I am very much thankful to A Pandey, M.D., Ph.D., Associate Professor, Department of Biological Chemistry, Pathology and Oncology, McKusick-Nathans Institute of Genetic Medicine, Johns Hopkins University, Baltimore MD 21205, USA for his help and coordination of my research work at its best. And I also want to convey my gratitude to C J Harry, A Marimuthu and all the members of Institute of Bio-Informatics, Bangalore, for enormous help, support and co-operation by sharing data and conducting few of my experiments in there R&D facility, else completion of this research work would not have been possible.

I express my sincere Gratitude and highest regards to Prof. GBN Chainy, Ph.D., Executive Director, Imgenex India, Bhubaneshwar, for his unconditional guidance, help and support for completion of my Thesis.
I deeply acknowledge the enormous help and support from my seniors, colleagues at R&D, Imgenex India, Dr. P Maiti, J Akhtar, S Raul, Md Sadique, L Sahu, LP Singh, B Behera, J Panda, all through the course of research work. My special thanks to N Samal, R Guchhayat, S Pattnaik, J Patsani, B Giri and all the staff members in Animal Facility, IT section, Marketing Division, Imgenex India.

I take this opportunity to extend my heartiest gratitude to Dr. Rath, Director; Dr. R Mohanty, Surgeon; Dr. Asish, Pathologist and Mr. Pattnaik, OT technician, Hemlata Cancer Research Institute, Bhubaneshwar.

I duly acknowledge Department of Biotechnology of the Government of India, Indian Council for Medical Research, Defense Research and Development Organization, India, Department of Science and technology, India and Indo American association for Research for their research support to Imgenex India.

However for the affection, words of encouragement, boundless sacrifice of my parents Mr. Basanta Jakharia and Mrs. Bijita Jakharia, I would not have been what I am today. I owe all my success to them.

I would like to convey my heartfelt gratitude and sincere appreciation to my wife Mrs. Jahnabi M Jakharia and beloved son Devansh Jakharia for their unconditional love and wholesome cooperation and providing strong emotional support to me constantly in this endeavor.
Last but never the least; I would like to thank all those who helped me directly or indirectly during my research work.
