CONTENTS

PREFACE: i
ACKNOWLEDGEMENT iii
LIST OF TABLES, FIGURES AND PLATES iv

CHAPTER - I: INTRODUCTION 1
Importance of Instructional Methods in learning Mathematics as a subject of study,
Mathematics and Instructional methods, conventional and Instructional methods,
Individual difference.

Present day situation of teaching - Mathematics, methods of Instruction adopted in the present study : Programmed Instruction, Integrated Programmed Instruction and objective Based Teaching methods.

CHAPTER - II: THE PROBLEM UNDER STUDY 14
Title of the problem, Background of the problem, Need of the problem, Rationale of the problem, geographical and Educational scenarios of ARUNACHAL PRADESH, Enrolment in educational Institutions, performance in examinations, prevailing teaching learning situation.

OBJECTIVES OF STUDY 29
Assumptions and Hypotheses

CHAPTER - III: REVIEW OF RELATED RESEARCH 31

CHAPTER - IV: METHOD AND PROCEDURE 39
Sample design, Flow-chart of sample design, Teaching strategy - methods of Instruction (a) Programmed Instruction, (b) Integrated Programmed Instruction, (c) Objective Based Teaching method,
CHAPTER - V : ANALYSIS OF DATA AND INTERPRETATION OF RESULTS

Class IX - Area URBAN

Class X - Area - URBAN
Group - Experimental methods - P.I., I.P.I., O.B.T., Group - Control method - Traditional
Summary of results
Testing Hypothesis: Forecasting efficiency of new teaching methods.
Analysis of Covariance between mean 124
Testing for effectiveness of methods of teaching by paired 't' test 127
Sexwise performance - using new methods of teaching 139

CHAPTER - VI : (A) DISCUSSION AND FINDINGS 152
(a) Performance of pupils under new methods of teaching mathematics,
   (a) Results of class IX, (b) Results of class X.
(b) Area wise performance
   Class X (i) Urban and rural 154
   Class IX (i) Urban and rural
(c) Testing of efficiency of new methods 155
(d) Testing of effectiveness of new methods by the paired 't' test 156

Summary

(B) FINDINGS OF THE STUDY AND CONCLUSION 158
(a) Performance of pupils, (b) Area wise effect of new methods, (c) effect of sex difference.

(C) MAIN FOCUS ABOUT FINDINGS 160

(D) SUGGESTION FOR FUTURE STUDY 160

BIBLIOGRAPHY : 161 - 165

APPENDICES : 165

Appendix 'A':
Programmed Test for class IX
Integrated Programmed Text for class IX
Lesson Plan used in O.B.T. for class IX

Appendix 'B': For class X
Programmed text, integrated programmed text and lesson plan.

Appendix 'C': Pre test Question Papers for class IX and X

Appendix 'D': Item Analysis 237
