I express my sincere gratitude to my Guide respected Dr. Parbin R. Akhtar (Retd.), Associate Professor, Department of Education, Cotton College, for her valuable guidance, support, encouragement and constant supervision throughout the entire course of this work. Her tolerant and friendly attitude has contributed immensely in the overall progress of my research work. The present stage of my work is because of the inspiration she provided. I fall short of words to express my gratitude towards her.

I would also like to take this opportunity to thank Prof.(Dr.) Gayatree Goswamee, Head of the Department of Education, Gauhati University, Prof.(Dr.) Lutfun Rasul Saikia & Prof.(Dr.) Jagat Swargiary Department of Education, Gauhati University, Assam for their encouragement and valuable advice provided to me. I also offer my sincere thanks to the Librarians and official of the ICSSR, New Delhi; Association of Indian University, New Delhi; Central Library, NEHU, Shillong; K.K. Handique library, Gauhati University; Omeo Kumar Das Institute of Social Change and Development, Guwahati; Academic Staff College Library, Gauhati University; Environmental Science department library, Gauhati University; etc. I had visited, without whose help and cooperation I could not have completed my work.

I would also like to take this opportunity to thank Mr. K.S. Chakraborty and Er. Bidhan Das of Pollution Control Board, Assam; Prof. (Dr.) Bhagawat Pran Duwarah, HOD of Geology Dept., Gauhati University & Noted Environmentalist of Assam; Prof.(Dr.) Hari Prasad Sarma, HOD of Environmental Science dept., Gauhati University; Dr. Aparajeeta Barkakoti, Associate Professor of Commerce Dept., Gauhati University; Dr. Binita Bhagwati, Associate Professor & HOD of Education Dept., North Lakhimpur College; Dr. Dulumoni Das, Assistant Professor of Statistics Dept., Cotton College; Dr. Sushmita Chowdhury, College of Education, Guwahati; Mrs. Chayanika Das, Assistant Registrar, Royal College of Engineering, Guwahati and Sri Dhrubajyoti Malakar, Research Scholar, IIT, Guwahati for their valuable help and advice during my work.
I express my gratitude to the Principals and teachers of all the sampled colleges. I owe my exclusive gratitude to the students of my sample, who not only gave their precious college time, but also participated in the entire process most patiently and enthusiastically.

I would also like to take this opportunity to thank Principal, Damdama College for his kind co-operation for perusing my higher study.

I am very grateful to the authors of several excellent textbooks on Environmental Science and Education. I have learnt a great deal from reading their books and I have used their books for reference.

I would also like to take this opportunity to thank my mother-in-law from Barpeta Sri Damayanti Das, Ex- mistress of Barpeta ME School, my grandmother-in-law Sri Renuka Das from Guwahati, my elder brother Er. Harekrishna Das from New Delhi; my nephew Er. Ritushmita Das Roy from West Germany; Er. Dipankar Das from Mumbai; Pijju & Rupam from Guwahati and my beloved daughter Radha for their encouragement and valuable advice, provided to me during my work.

I have no words to express my gratitude to my respected Father-in-Law Late Prof. Nibaran Chandra Das, Ex-Principal of B.B.K College, Nagaon, Barpeta.

I have no words to express my gratitude to my beloved Elder Sister Late Kanika Das, Ex Headmistress of BadriDas Hindi ME School, Guwahati.

I would like to thank Mr. Rustam Ali, who helped me a lot in the statistical work.

Lastly, I thank my beloved son Kaushik for being co-operative and understanding during the course of my entire research work.

Finally, this acknowledgement note cannot be complete unless I expressed in words, the constant help and encouragement of my husband Er. Bikramaditya Das, throughout my research work till its completion.
