List of Figures

Fig.- 3.1: Percentage wise selection of colleges from rural area 130
Fig.- 3.2: Percentage wise selection of colleges from urban area 131
Fig.- 3.3: Sample breakage from rural area 132
Fig.- 3.4: Sample breakage from urban area 133
Fig.- 3.5: Total sample breakage 137
Fig.- 3.5.a: Area wise total sample breakage 138
Fig.- 3.5.b: Stream wise total sample breakage 139
Fig.- 3.5.c: Gender wise total sample breakage 140
Fig.- 4.1.1: Analysis and interpretation of the data to for objective no.-1 (Area wise) 149-168
Fig.- 4.1.20:
Fig.- 4.1.21: Area-wise total percentage distributions of awareness for objective no.-1 169
Fig.- 4.1a.1: Analysis and interpretation of the data to for objective no.-1 (Streamwise) 170-189
Fig.- 4.1a.20:
Fig.- 4.1a.21: Stream-wise total percentage distributions of awareness for objective no.-1 190
Fig.- 4.1b.1: Analysis and interpretation of the data to for objective no.-1 (Sexwise) 191-210
Fig.- 4.1b.20
Fig. -4.1b.21: Sex-wise total percentage distributions of awareness for objective no.-1 211

Fig. -4.2.1: Total result of Attitude of the Students towards Environmental Education (Area-wise) 214

Fig. -4.2.2: Total result of Attitude of the Students towards Environmental Degradation (Area-wise) 217

Fig. -4.2.3: Total result of Attitude of the Students towards Protection of Forest (Area-wise) 220

Fig. -4.2.4: Total result of Attitude of the Students towards Hazardous Waste Disposal (Area-wise) 222

Fig. -4.2.5: Total result of Attitude of the Students towards Extinction of Species (Area-wise) 225

Fig. -4.2.6: Total result of Attitude of the Students towards Urban Environment (Area-wise) 227

Fig. -4.2.7: Total result of Attitude of the Students towards Rural Environment (Area-wise) 230

Fig. -4.2.8: Total result of Attitude of the Students towards Traffic Hazard (Area-wise) 232

Fig. -4.2.9: Total result of Attitude of the Students towards Environmental Law and Economy (Area-wise) 234

Fig. -4.2.10: Total result of Attitude of the Students towards Air Pollution (Area-wise) 236

Fig. -4.2.11: Area-wise total percentage distributions of Attitude towards Environment 238

Fig. -4.2a.1: Total result of Attitude of the Students towards Environmental Education (Stream wise) 241
Fig. -4.2a.2: Total result of Attitude of the Students towards Environmental Degradation (Stream wise) 244

Fig. -4.2a.3: Total result of Attitude of the Students towards Protection of Forest (Streamwise) 247

Fig. -4.2a.4: Total result of Attitude of the Students towards Hazardous Waste Disposal (Streamwise) 249

Fig. -4.2a.5: Total result of Attitude of the Students towards Extinction of Species (Streamwise) 252

Fig. -4.2a.6: Total result of Attitude of the Students towards Urban Environment (Streamwise) 254

Fig. -4.2a.7: Total result of Attitude of the Students towards Rural Environment (Streamwise) 256

Fig. -4.2a.8: Total result of Attitude of the Students towards Traffic Hazard (Streamwise) 259

Fig. -4.2a.9: Total result of Attitude of the Students towards Environmental Law and Econom 261

Fig. -4.2a.10: Total result of Attitude of the Students towards Air Pollution (Streamwise) 263

Fig. -4.2a.11: Streamwise total percentage distributions of Attitude towards Environment 265

Fig. -4.2b.1: Total result of Attitude of the Students towards Environmental Education (Gender wise) 268

Fig. -4.2b.2: Total result of Attitude of the Students towards Environmental Degradation (Gender wise) 271

Fig. -4.2b.3: Total result of Attitude of the Students towards Protection of Forest (Gender wise) 274

Fig. -4.2b.4: Total result of Attitude of the Students
towards Hazardous Waste Disposal (Gender wise) 276

Fig. -4.2b.5: Total result of Attitude of the Students towards Extinction of Species (Gender wise) 279

Fig. -4.2b.6: Total result of Attitude of the Students towards Urban Environment (Gender wise) 281

Fig. -4.2b.7: Total result of Attitude of the Students towards Rural Environment (Gender wise) 283

Fig. -4.2b.8: Total result of Attitude of the Students towards Traffic Hazard (Gender wise) 286

Fig. -4.2b.9: Total result of Attitude of the Students towards Environmental Law and Economy (Gender wise) 288

Fig. -4.2b.10: Total result of Attitude of the Students towards Air Pollution (Gender wise) 290

Fig. -4.2b.11: Gender wise total percentage distribution of Attitude towards Environment 292
