ACKNOWLEDGMENTS

Words can hardly express my deep sense of gratitude and indebtedness to Dr. G. Edwin Chandrasekar, M.Sc., Ph.D., Professor and Head of the Department of Environmental Science, Bishop Heber College, Tiruchirapalli under whose able guidance and kind supervision the present work was carried out. His sustained interest, constant encouragement and expert criticism have contributed meaningfully in the completion of a great task.

I wish to express my sincere thanks to Dr. (Tmt.) S.K. Valli, M.Sc., M.Phil., Ph.D., Head of the Department of Zoology (Retd.), Government Arts College (Women), Pudukkottai for her unfailing interest, immense help, constant encouragement and constructive criticism throughout the progress of the work.

I am deeply indebted to Dr. K. Vivekanandha, M.A., Ph.D., and Dr. (Selvi) Latha Arunachalam, M.A., M.Litt., Ph.D., former Principals of Government Arts College for Women, Pudukkottai, for being pillar of strength and encouragement.

My special thanks are due to the Principal, Bishop Heber College, Tiruchirapalli for permitting me to do my Ph.D. I thank Dr. T. Balasubramaniam, M.Sc., M.Phil., Ph.D.,
Reader, Centre of Advanced study in Marine Biology, Portonovo, for his valuable suggestions positive criticism and constant encouragement.

At this juncture, I consider it my duty to thank my nephew Er. V.Gnanakumar, for the neat execution of diagram in Computer and S.Chandrasekar,M.Com., for the figures. My sincere appreciation is directed to Mrs. S. Chellammal, M.Sc.,M.Phil., Colleague of mine for her unreserved help; to Selvi P.Chitra for her spontaneous co-operation and selfless assistance in the execution of my work. I will fail in my duty if I do not thank Tmt. P.Manikili, M.A.,M.Sc.,M.Phil., Tmt. T.Amsaveni, M.Sc.,M.Phil., Tmt. Renuka Moses, M.Sc.,M.Phil., and Tmt. R.Bavani, M.Sc.,M.Phil.,B.Ed., for their enthusiasm in my work.

I am immensely grateful to S.Sampoornaraman,M.Sc., Joint Director (Retd.), Agricultural Training Institute, Kudimiyamalai; for his encouragement, useful suggestion and for the help to analyse the samples. My special thanks are due to Tmt. Swamikannu Chelliah, M.A.,M.Phil., for her continuous encouragement. Special mention has to be made of Thiru Avudaiyappan, for his assistance in the collection of specimen.
I thank Selvi S. Shanthi for the tortuous task of typing the thesis. My thanks are also due to my colleague for their help and co-operation.

Saving the best for the last, I express my boundless gratitude to my husband and son who have displayed implicit understanding, help and encouragement throughout my work.
