ACKNOWLEDGEMENT

It is the necessary task to gratefully acknowledge the precious guidance, help and service which have contributed to the flowering of this research work.

It is the pleasantest task for the researcher to express his heartfelt gratitude to his research supervisor Dr. S. Purushothaman, Professor and Head, Department of Educational Technology, Bharathidasan University, Tiruchirapalli - 620 023 who has been the constant source of inspiration to his research work. No expression can do justice how much he owes to his guide for his sustained guidance, encouragement and motivation.

The researcher thanks with reverence Dr. T. K. Swatantra Devi, Reader, and Dr. S. Devanathan, Senior Lecturer, Department of Educational Technology, Bharathidasan University, Tiruchirapalli - 620 023 for their unfailing inspiration and blessings to successfully undertake this research.

The researcher expresses his sincere thanks and gratefulness to Dr. Antony Stella, Deputy Advisor, NACC, Bangalore who encouraged him all through this work.
The task would be incomplete if Mr. S. Maideen Batcha, and Prof. S. Armstrong, the brothers of the researcher, are thanked for all the necessary helps rendered by them.

Help has also been received from Mr. D. Anthuan Emil, Mr. Kesavan, Mr. Sudhakar, Mr. Venkatesh, Mr. Ramesh, etc. and the value of such help is gratefully acknowledged.

The researcher also thanks the Principals, the Staff, and the trainees of Government Colleges of Education in Orathanad and Pudukottai, Tamilnadu for enabling him to collect the necessary data for his research.
