ACKNOWLEDGEMENTS

In planning and completing this research work, I have received strong support and cooperation from many people. I wish to acknowledge them with sincere gratitude and appreciation.

First, I express my deep sense of gratitude to my guide, Rev. Fr. Dr M. Sebastian, S.J., M.A.,Ph.D., Professor of Economic (Emeritus), Loyola College, Madras. From the beginning to the end, his guidance was a source of inspiration. But for his meticulous supervision, this work would not have obtained completion. I wish to record here my sincere thanks for all the help I have received from him.

I wish to thank Dr S. Varadarajan, M.Sc.(Ag), M.S.(Purdue), Ph.D., D.I.Fr., Professor and Head, Department of Agricultural Economics, Agricultural College, Madurai for his valuable help in the empirical analysis of the data.

My sincere thanks are also due to Rev. Fr. Principal, St Joseph’s College [Autonomous], Tiruchirapalli for having permitted me to do this research and for helping me in all possible ways.

I wish to sincerely thank Mrs. Vijayalakshmi, the Senior Documentation Officer, IARI, New Delhi, the staff of the libraries attached to St Joseph’s College, Tiruchirapalli; Bharathidasan University, Tiruchirapalli; Tamil Nadu Agricultural University, Coimbatore; Agricultural College, Madurai; Madras Institute of Development Studies (MIDS), Madras; Institute of Social and Economic Change (ISEC),
Bangalore; Centre for Development Studies (CDS), Trivandrum; and Indira Gandhi Institute for Social Sciences, Bombay.

I express my deep gratitude to Prof. A. John Berchmans for his computer expertise in formatting the documents. I thank my colleagues in the Department of Economics, St Joseph's College--Prof. A. Soosairaj, Dr I. Thiagarajan, Dr A. Mariaraj, Prof. A. Joseph Rajan, Prof. M. Jeyapal, Prof. G. Gnanasekaran, Prof. J. A. Arul Chellakumar, Prof. T. Stanley Joseph Michaelraj, Prof. K. Arokiadoss, Rev. Fr. A. Jebamalai Raja, S.J., Prof. G. Irudayaraj, and Prof. D. Kumar--for valuable helps rendered at several stages of my research work.

The success of this work depended in no small measure on the cooperation of the farmers of the study area, and the officials of the Public Works Department and the Office of Assistant Director of Statistics, Tirunelveli. I wish to thank them all.

I express my appreciation to Mr S. Venugopal for the fine execution of my work on the computer, and to Mr Alphonse Raj, Susin DeskTop Graphics, Tiruchirapalli for laser printouts. My thanks are also due to St Michael Binding, Tiruchirapalli for his neat work.

On a personal note, I wish to thank my brothers and sisters for their encouragement. Among them I particularly thank my sons, Provine and Deepu and my beloved wife, Susila.
