

A C K N O W L E D G E M E N T S

I sincerely thank my research supervisor, Dr.M.KRISHNA PILLAY, Professor and Head, Department of Chemistry, Bharathidasan University, for his guidance and encouragement throughout the course of this work.

I wish to place on record my gratitude to Professor C.RANGASAMY, Department of Chemistry, Kandasami Kandar's College, Velur, Salem.

Thanks are also due to other faculty members and members of the non-teaching staff of the Department for their encouragement and help.

I am grateful to several institutions and many friends in other institutions who have helped in getting the spectral data for the compounds used in the present study. They include R.S.I.C., Central Drug Research Institute, Lucknow for mass spectral and NMR spectral data, R.S.I.C., Indian Institute of Technology, Madras and S.I.F., Indian Institute of Science, Bangalore for NMR spectral data; Mr.S.ANBALAGAN, Research Scholar, Department of Chemistry, Indian Institute of Technology, Bombay for mass spectral data; Mr.R.NATARAJAN and KEITH PRIGNITZ, Lakehead University, Thunder Bay, Ontario, Canada for NMR spectral

data and Dr.S.ANANTHAPADMANABAN, Manager (R & D), Hindustan
Photofilms Factory, Ooty for NMR spectral data.

I am thankful to the members of the Central
Workshop for their help.

Financial assistance from D.S.T. and U.G.C. are
gratefully acknowledged.

W. Agarajan
