</table>

i) Twigs & Brushwood
ii) Agriculture waste
iii) Firewood
iv) Cow dung
v) Kerosene
vi) L.P.G
vii) Others

11. Deficit / Surplus / Sufficient Management

If you are deficit in fuel supply, how do you manage the deficit?

(Approximate % of total consumption)

a) Gathering : 

b) Purchase : 

c) Own source :

If you have surplus of fuel supply how do you dispose

<table>
<thead>
<tr>
<th>Nature of Disposal</th>
<th>Type of fuel</th>
<th>Qty.</th>
<th>Value</th>
</tr>

<td>8 hours</td>
<td>Child</td>
<td></td>
</tr>
<tr>
<td>Yearly once</td>
<td>Road side</td>
<td>6</td>
<td></td>
<td>Woman</td>
<td></td>
</tr>
</tbody>
</table>

13. Fuel consumption pattern

i) Frequency of cooking (per day) (✓) Once / Twice / Thrice

ii) Average quantity of fuel consumed per day:

iii) Monthly expenditure on fuel purchase:

iv) Type of oven used (✓) a) Traditional Mud choola b) Iron choola c) Modern choola

14. Details about social forestry

Awareness of social forestry project in your village:

<table>
<thead>
<tr>
<th>Planted in which year</th>
<th>Where do you find (✓)</th>
<th>Who plants &amp; Maintains (✓)</th>
<th>Type of trees</th>
</tr>
</thead>
<tbody>
<tr>
<td>0</td>
<td>1) Tank for shore</td>
<td>i) Private</td>
<td>i) Babul</td>
</tr>
<tr>
<td></td>
<td>2) Community land</td>
<td>ii) Forest</td>
<td>ii) Eucalyptus</td>
</tr>
<tr>
<td></td>
<td>3) Private land</td>
<td>Department</td>
<td>iii) Casurina</td>
</tr>
<tr>
<td>Not known</td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

15. Do you get any benefit from it? Yes / No

If yes, Specify (✓) i) Employment ii) Fuel iii) Fodder iv) Small timber

16. Nature of Employment

<table>
<thead>
<tr>
<th>Stage</th>
<th>Type of Job</th>
<th>No. of Child Male / Female</th>
<th>No. of man days</th>
<th>Income</th>
</tr>
</thead>
<tbody>
<tr>
<td>I</td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>II</td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>III</td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>IV</td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
17. Fodder for cattle from social forestry
Do they allow you to graze your cattle? Yes / No
If Yes

<table>
<thead>
<tr>
<th>Type of Cattle</th>
<th>No. of Cattle</th>
<th>Grazing time (per day)</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

18. Which type of cattle you mostly prefer to graze there?
Specify

19. Does it meet your entire fodder requirement? Yes / No

20. If no, How do you meet the balance requirement?

<table>
<thead>
<tr>
<th>Nature of meeting the balance requirement</th>
<th>Value per annum</th>
</tr>
</thead>
<tbody>
<tr>
<td>1) Purchase of fodder</td>
<td></td>
</tr>
<tr>
<td>2) Fodder from own land</td>
<td></td>
</tr>
<tr>
<td>3) Grazing public lands</td>
<td></td>
</tr>
</tbody>
</table>

21. If the answer is No for 17th Question
Who prevents you from grazing? (✓)
a) Watcher   b) Villages  c) Others

22. Do you undertake illicit grazing?
Yes / No

23. Other village level benefits: (✓)

i) Rainfall increased  ii) Better environment  iii) Better water quality
iv) Soil Conservation  v) Any other (specify)

24. Do you think that social forest project in your village is successful/failure?

If considered successful, the reasons (specify)

i) .................................................................

If considered failure, the reasons (specify)

i) .................................................................

ii) .................................................................
25. Difficulties encountered on account of S.F. Project.
   i) Obstruction of path way   Yes / No
   ii) Prevention from grazing Yes / No
   iii) Water quality Yes / No
   iv) Prevention from desilting Yes / No
   v) Prevention from free grazing Yes / No

26. Benefits accrued to the village as a result of sharing of 50% of S.F. project revenue.
   i) Amount given to the village
   ii) How was the amount utilised
   iii) Schemes/facilities resulting from S F Project
   iv) How are those schemes/facilities beneficial to the village community

27. What are your suggestion for improving S F. project in your village?
   1
   2
   3

28. Successful Village
   Reason for success : (Rank)
   i) People's participation and cooperation
   ii) Plot watches involvement
   iii) Villager learn about the Forest Department.
   iv) Discipline imposed by local community leaders.
   v) Panchayat control.
   vi) Other reasons (specify)

29. Failure Village
   Reason for failure : (Rank)
   i) Non cooperation of people
   ii) Plot watches non commitment.
   iii) Illicit grazing.
   iv) Natural calamities (Flood Drought, Disease etc)
   v) Local community leaders (Caste/Political rivalry etc.,)

30. Do you want to continue this project in your village?   Yes / No
    Give reasons
