ACKNOWLEDGEMENT

The task of acknowledging the incalculable debt of appreciation, which is owed to many, is a very pleasing facet of thesis writing. It gives me immense pleasure in thanking those who were associated with me in completion of this work.

Words should be inadequate to convey my deep sense of gratitude to my supervisor Professor C.S. Pundir, Head, Department of Biosciences, Maharshi Dayanand University, Rohtak for his incessant encouragement, affectionate guidance at all the stages of this work. His enthusiasm, analytical outlook and constructive criticism contributed a lot in presenting this work in its present form. I shall forever consider it a privilege to have worked under him.

I owe a deep gratitude towards Dr. R.S. Chaudhary, Prof. and Ex-Head, Department of Chemistry, M. D. University, Rohtak for providing me the potentiostat for the preparation of triglyceride biosensor in his laboratory or Department.

I sincerely thank to Prof. A.K. Madan, Dean, Pharmaceutical Deptt. and Dr. A.N. Kalia, Head, Department of Pharmaceutical Sciences for their kind cooperation and encouragement during different stages of this work.

It is a matter of diligence to convey my thanks to Dr. Suman, Dr. Kirti, Dr. Reeti and my lab-mates Manu, Neelima, Vijay and Vikas for their all-time cooperation in the laboratory and valuable suggestions and moral support throughout the present research work. I am also thankful to
all non-teaching staff of this department for their cooperation during this work.

I also owe my pious duty to express my gratitude to my parents without whose blessings, I could not have completed my research work. They have been a constant source of inspiration to bolster my morale in my academic pursuits. Their affection and blessings have been the real pillars of my confidence.

I must confess that the completion of this work and even carrying out of this work would have been impossible without the encouragement, moral support and cooperation by my husband Mr. Balvinder Sharma and my mother-in-law. I can never thank them enough to have made my work possible.

My debt is special towards my kids Tarishi, Sudiksha and Tizil who spared me for such a long duration to complete this research task.

I am also thankful to Mr. Raj Kumar Pahwa M/s S.S. Computer, Near Jat College, Rohtak for the typing and beautiful presentation of this thesis.

Finally, I thank Almighty who made so many to extend their helping hands in accomplishment of my work successfully.
