ACKNOWLEDGEMENTS

No research study can be completed without the help, guidance, inspiration and co-operation of numerous individuals. It gives me immense pleasure to express my heart-felt gratitude to all those who have assisted me with their thought-provoking ideas in the perusal of my research project.

I express my deep sense of indebtedness and heartily thanks

-- to my guide 'Dr. R. Vinayek', Prof. Dept. of Commerce, M.D.U. Rohtak for the propelling and persuasive guidance, painstaking and untiring involvement with every line of this study. He has been fertile in suggestions, ruthless in criticism and vigilant in the detection and rectification of errors. His enthusiastic inspiration and words of encouragement gave me the modus-operandi to devise my thought into a thesis.

-- to Dr. S.S. Chahal, Head, Dept. of Commerce and other faculty members who encouraged me every time during my working period on this project and helped me so much whenever I requested.

-- to all the respondents for extending me honest co-operation and sparing their valuable time in providing me relevant information for this research work. Without their help, the work could not have been accomplished.

-- to the authorities of Rattan Tata Library, Delhi, Indian Council of Social Science Research, Delhi, Library of M.D. University, Rohtak, for extending their full co-operation by making available the material required for laying the foundation of this study.
