LIST OF PUBLICATIONS

2. Bulk characteristics of air-jet textured yarn woven fabrics, Accepted, Indian J. Fibre & Textile Res.

3. Effect of winder type and winding parameters on the measured values of physical bulk of air-jet textured yarn, Accepted, Indian J. Fibre & Textile Res.

5. Effect of air-jet texturing process variables on physical bulk obtained by image analysis method, Indian J. Fibre & Textile Res. (Communicated).

7. Effect of air-jet texturing process variables on instability of air-jet textured yarn (Under Preparation).

8. Software for selecting the process variables for air-jet texturing (Under Preparation).
