List of Publications in International Journals

i. Compatibility studies of polymer-polymer systems by viscometric techniques: Nitrile rubber based blends.

ii. Blends of polystyrene and nitrile rubber: Morphology, mechanical and thermal properties.

iii. Melt rheological properties of polystyrene/nitrile rubber blends

v. Thermoplastic elastomer blends from styrene-acrylonitrile copolymer and acrylonitrile-butadiene rubber: Morphological, mechanical, and melt flow properties.

vi. Compatibility studies of polyblends of acrylonitrile-butadiene rubber, polystyrene, styrene-acrylonitrile copolymer, and acrylonitrile-butadiene-styrene copolymer
