ACKNOWLEDGEMENTS

First and foremost I acknowledge the grace of God and the blessings of my parents and elders. Next, with a profound sense of gratitude I acknowledge the guidance and help rendered by my supervisor Prof. Rajender Singh of Mechanical Engineering Department, CRSCE Murthal. His practical insight and encouragement have been a constant source of inspiration for me. I wish to extend my deepest appreciation for his continuous advice and motivation during every stage of the present research work.

My special thanks to Sh. S. L. Gupta (Deputy General Manager and Head, Tool Room, Mindarika Pvt. Ltd., Gurgaon, Haryana), Sh. Sh. C. S. Chaudhary (Manager, Works, TRTC Wazirpur, New Delhi), Sh. A. K. Sehgal (Manager, Training, TRTC Wazirpur, New Delhi), Sh. Naveen Kumar (Tool Room Engineer, Mindarika Pvt. Ltd., Gurgaon, Haryana), Sh. Manoj Taneja (Senior Design Engineer, Havells Pvt. Ltd., New Delhi) and other domain experts who highlighted the problems faced by stamping industries and assisted me by providing support at various stages of my research work.

I also acknowledge the continuous support provided by my colleagues at Hindu College of Engineering, Sonepat and faculty members of CRSCE Murthal during the course of research work.

Dr. N. S. Bhal, Director-Principal, Hindu College of Engineering, Sonepat and faculty members of Department of Mechanical Engineering, CRSCE Murthal provided me the opportunity to carry out my research work for which I am very grateful to them.

Finally, I would like to express my gratitude to my wife Mrs. Manju Raj and daughter Nishtha for their patience, understanding and moral support during the course of research work.

(Shailendra Kumar)
