ACKNOWLEDGEMENT

I have immense pleasure in expressing my deep sense of gratitude and heartfelt thanks to my research supervisor and guide Dr. P. Subramanian, Professor, Department of Animal Science, Bharathidasan University, for suggesting the problem and for his valuable guidance, constant encouragement and constructive criticisms throughout the course of my research work.

I wish to record my thanks to Prof. M.A. Akbarsha, Head of the Dept. of Animal Science, Dr. P. Geraldine, Dr. Chellam Balasundaram, Dr. G. Archunan, and Dr. A. Ganapathy, from School of Life Sciences, Bharathidasan University, Tiruchirapalli, for their interest towards my work and continuous encouragement.

My profound thanks to Dr. Victor Rajamanickam, Tamil University, Thanjavur, Dr. Sarada Vasanth and Dr. Sasikala Ethiraj, Siddha Research Institute, Chennai, for providing facilities for heavy metal analysis and phytochemical studies.

My indebted thanks to Prof. Edward M. Donaldson, Biological Science Branch, Dept. of Fisheries and Ocean, West Vancouver BC, Canada, Prof. Makito Kobayashi, Department of Aquatic Bioscience, University of Tokyo, Japan, Prof. Gad Digani, Migal, Galilee Technological Centre, Kiryat Shmona, Israel, Dr. A.K. Pandey, Central Institute of Freshwater Aquaculture, Bhubaneswar, India, Dr. Adrian Elangovan, School of Biological Sciences, National University of Singapore, for providing me valuable references and encouragement.
I would like to express my sincere thanks to the Dean, Fisheries College, Tuticorin, Dean of Siddha Research Institute, Chennai, for allowing me to use their library.

My whole hearted thanks to Prof. V.Ramaiyan, Former Director of CAS in Marine Biology, Annamalai University and Prof.Kurivikkarambai Shanmugam, Pachiappas College, Chennai, who introduced me to the world of higher studies and scientific research.

I am greatful to Prof. M. Jayam, Principal,, K.N. Government Arts College for Women, Thanjavur, Prof. Mallika Murugaiyan, Principal, Government Arts College for Women, Pudukkottai, for their interest and constant encouragement during my research period. I thank the HOD and all my colleagues in the Department of Zoology K.N. Govt. Arts College for women for their constant help and encouragement.

I thank with great pleasure to Dr.P.Krishnamoorthy, Dr.C.Maruthanayagam, Dr. S. Arun, Dr. R.Thirumurugan, Dr.R.Vishagan, Mr.S.Balamurugan, Mr.R.Arivazhagan, Miss.K.Tamilmani, Mr.Sakthivel, Mr.Ganesh, Dr.Rajendran and Dr.Ramesh Kumar of Life Science Department for their help and co-operation on throughout the research period.

I would like to express my thanks to Dr. A. Rajathy, Holy Cross College, Trichy, Dr. S. Lakshmi, K.N. Govt. Arts College, Thanjavur for their support extend to me for the completion of my research work.
I thank the University Grants Commission, for granting permission under Faculty Improvement Programme (2 years) for doing research work.

I extend my thanks to Prof. K. Chandran Department of Microbiology, AVVM Pushpam College, Poondi for fine Photography, Miss C. Amudha, Research Scholar, Department of Animal Science and Nagu Computers Thanjavur, for who deserves appreciation for neat computer work.

I am very grateful to my husband, my daughters and my brother, whose love, constant encouragement and support made me complete my work successfully.

Mrs. K. ANBU
