TABLE OF CONTENTS

PREFACE

ACKNOWLEDGMENT

LIST OF TABLES

CHAPTER

I. INTRODUCTION

Defining Behavioural/Emotional Problems of Children

Theoretical Views of Behavioural/Emotional Problems

Understanding the Behavioural/Emotional Problems of Children

Etiology of Childhood Behavioural/Emotional Problems

Epidemiological Aspects

Identification and Diagnosis of Behavioural/Emotional Problems of Children

Diagnosis of childhood Psychiatric Disorders - Classificatory Systems

Existing Measures of Behavioural/Emotional Problems of Children

Approaches to Identification of Behavioural/Emotional Problems

Teacher's Role in Identification

Self-Ratings by Children

Rationale of the Empirical Model used in the Present Study

II. METHODOLOGY

Statement of the Problem
Need and Importance of the Study 40
Aims and Objectives 42
Pilot Study 42
Research Design 43
Universe and Sampling 44
Sources of Data 45
Tools of Data Collection 46
Operational Definitions of Terms 56
Pre-Testing of Tools 65
Field Work and Data Collection 66
Hypotheses 67
Statistical Analysis of Data 69
Limitations 71
Chapterisation 72

III. ANALYSIS AND INTERPRETATION OF DATA 74

IV. FINDINGS AND CONCLUSION 183
Salient Findings of the Present Study 183
Suggestions for Practice 190
Suggestions for further Research 191
Conclusion 192

SUMMARY 194

BIBLIOGRAPHY 197

APPENDICES 206
