ACKNOWLEDGEMENT

I express my deep sense of gratitude to Dr. M. Manivel, Senior Lecturer, School of Earth Sciences, Bharathidasan University, Tiruchirapalli, who has offered invaluable guidance and constant encouragement throughout this work.

I wish to place on records my sincere thanks to Dr. SM. Ramasamy, Professor and Head, School of Earth Sciences, Bharathidasan University, Tiruchirapalli, for his invaluable help, co-operation and assistance at various levels and at various times. I am grateful to him for accommodating me as one of the Research fellows in his project entitled "RECHARGE" for a period of two years.

I am thankful to Dr. A. Balasubramanian, Senior Lecturer, Department of Geology, V.O.C. College, Tuticorin for his kind assistance, suggestions and for providing facilities in processing the data.

I am grateful to the chief Engineer, Groundwater Division (P.W.D.), Government of Tamilnadu for his kind permission to utilise the available data. The help extended by Dr. S. Adiga, Head and Shri P. Manavalan, Scientist, Regional Remote Sensing Service Centre, Bangalore for processing the satellite data is also acknowledged.
The help rendered by Shri. R. Ravichandran in the drafting of figures is acknowledged. I am also thankful to Shri. L. Laskhmi Narayanan, Shri P. Puniamoorthy for neat typing of the manuscripts and Shri. A. Arokiaraj for computation of data.

I am grateful to Dr. A. Balasubramanian, Dr. T. Vasanthakumar and Dr. S. Sathyamoorthy for their critical reviews of the thesis. The help extended by Dr. V. Subramanian and Dr. P.R. Srinivasan in correcting the manuscript is gratefully acknowledged. The constant encouragement throughout the work extended by Dr. A. Balasubramanian, Senior Lecturer, Department of Geology V.O.C. College, Tuticorin and Dr. V.A. Chandra Sekaran, Reader, School of Earth Sciences, Bharathidasan University, are acknowledged.

I wish to place on records my sincere thanks to my friends P. Saravanakumar, D. Kumaran Raju, A. Wilson, R. Jeganathan, S. Palanivel, S. Subramanian and Sakthimurugan, for their kind co-operation.

Last but not the least, I express my sincere gratitude to my parent, brothers, sister, sister-in-law, Geggei and brother-in-law for their patient endurance, encouraging words and able support during the entire course of the research work.
