ACKNOWLEDGEMENTS

With deep sense of gratitude, I express my personal indebtedness and gratefulness to my Research Supervisor, Dr. George John, for suggesting this problem. His meticulous scrutiny, constructive criticisms, excellent guidance, enlightening discussions, and above all his affection towards me have indeed gone a long way in contributing to the successful completion of my thesis.

I sincerely thank Dr. K. Vijayaraman, Reader and Head, P.G. and Research Department of Zoology, Periyar E.V.R. College (Autonomous & Accredited), Tiruchy, who despite his tight daily schedule, was always at hand whenever I sought his help. He was always a source of strength and a fountain-head of support to me.

I express my sincere thanks to Prof. A. Anbanandan, Principal, Periyar E.V.R. College (Autonomous & Accredited), Tiruchy, for permitting me to continue my research and for evincing a keen interest in improving the academic endeavours in the college.

I also record my respectful appreciations to the former Principals of this college, Dr. N. Karunanidhi, Dr. Jagadish Bose and Prof. G. Krishnamoorthy who encouraged me in my research pursuits.

I gratefully acknowledge Dr. M. Mohamed Meeran, former Head, P.G. and Research Department of Zoology, for providing me all the necessary facilities and for having a genuine concern in me. His kind words of encouragement will always ring in my ears.

It is a pleasure to extend my thanks to Dr. M. Subramaniam, former Head, Department of Zoology, Jamal Mohamed College, Tiruchy, my Doctoral Committee member for his advice and suggestions.

I am grateful to Prof. (Ms) S. Ganga, Lecturer, P.G. and Research Department of Zoology, Periyar E.V.R. College (Autonomous & Accredited), Tiruchy, for her constant encouragement and inestimable help in various ways. She took much care in checking my manuscript for errors, and her gentle chidings have helped me immensely to refine my outlook on research.

I express my gratitude to Dr. N. Anbusaravanan, Reader in Zoology, Periyar E.V.R. College (Autonomous & Accredited), Tiruchy, for he was there lending a helping hand, at times of anxiety and doubt.
I have no words to express my thankfulness to the faculty of our Department, Prof. S. Swaminathan, Prof. K. Palanivel, Dr. (Ms) M. Manimekalai, Prof. (Ms) Nirmala Natarajan and Dr. (Ms) R. Manimegalai for creating a congenial atmosphere in the laboratory, and also for their help, good wishes and cooperation during the study.

I am much grateful to Dr. S. Dhanapaul, M.D., D.M.V., Professor and Head, Department of Microbiology, K.A.P.V. Medical College, Tiruchy, for helping me whenever I approached him for favours, particularly in the biochemical characterization of bacterial strains. His painstaking help, valuable ideas and interest are admirable.

The timely help of Dr. S. Ajmal Khan, Professor, C.A.S. in Marine Biology, Annamalai University, Parangipettai and Dr. S. Rajagopal, Reader, C.A.S. in Marine Biology, Annamalai University, Parangipettai is kindly acknowledged. I am also thankful to Dr. M. Natarajan, Senior Scientific Officer, C.A.S. in Marine Biology, Annamalai University, Parangipettai for his invaluable help in HPLC analysis.

My special thanks are due to Dr. M. Chandrasekaran, Professor and head, Department of Biotechnology, Cochin University of Science and Technology, Kochi, for his valuable suggestions during the planning of my research programme.

Dr. A. R. Nazar, my brother is gratefully acknowledged for his advice and suggestions. The help rendered by Dr. S. Janarthanan, Lecturer in Zoology, Thyagarajar College, Madurai in the electrophoretic studies and densitometry analysis is gratefully acknowledged.

The interest evinced in my work by Dr. M. Subramaniam, Reader and Head, P.G. Department of Chemistry, and by the faculty of the department is thankfully appreciated.

The companionship, understanding and timely help offered by my co-researcher Mr. P. Sivakumar, is thankfully remembered.

My sincere thanks to Dr. P. Panneerselvam, Lecturer in Physics (SG), Periyar E.V.R. College (Autonomous & Accredited), Tiruchy, and Prof. (Ms) P. Manikili, Lecturer in Zoology (SG), Government Arts College, Pudukkottai for encouraging me during my doctoral programme.

I express my sincere thanks to Mr. I. Prem Nivas, M.S. (IT), M. Phil., Lecturer in Computer Science, Jamal Mohamed College, Tiruchy, for helping me to trace the pertinent literature relevant to my study.
I thank Dr. R. Santhanam, Dean, Fisheries College, Thoothukkudy, for permitting me to utilize their library facilities and Dr. P. Kulandaivelu, School of Biological sciences, Madurai Kamaraj University, for providing Scanning Probe Microscope facility.

The prompt supply of literature by Dr. Gatesoupe, Dr. E. Ringo, Dr. Sugita, Dr. Y. C. Song and Dr. Maeda are gratefully remembered.

I am also thankful to laboratory assistants, Mr. K. Kasi, Mr. P. Paramasivam and Mr. S. Krishnamoorthy for their help in many ways.

I express my thanks to Mrs. P. Amutha, for the neat typing of my thesis.

My sincere indebtedness to the members of my guide’s family: Mrs. Nimmi George and the children, Nina and Nithin for their keen interest in my studies.

The cooperation, advice, parental love and affection poured on me by my parents, Mr. K. Abdul Razack and Mrs. A. Mumtaz, brothers, sisters and brother in laws, deserves heartfelt appreciation.
