I earnestly revere the Lord Sri Venkateswara for his boundless blessings, which accompanied me in all endeavours.

I would like to express my deep and sincere gratitude to my supervisor and guide Dr. S. Palanivel, Assistant Professor, Department of Botany, Government Arts College, Karur (Formerly Lecturer in Microbiology, J.J. College of Arts & Science, Pudukkottai). His wide knowledge and logical way of thinking have been of great value for me. His understanding, encouraging and personal guidance have provided a good basis for the present thesis.

I am also thankful to the member of Doctoral Committee Dr. M. V. Rao, Professor, Department of Plant Sciences, Bharthidasan University, Trichy for their useful suggestions, co-operation, encouragement and guidance in carrying out this programme.

I extend my special thanks to Dr. R. Senthilkumar, Head and Department of Microbiology for providing facilities and valuable suggestions in this study. I also thank all the staff members of the Department for their co-operation, support and encouragement throughout this work.

I express my sincere gratitude to Principal and Management, J.J. College of Arts & Science, Pudukkottai for their valuable co-operation during this study.

Words are not enough to express my deep sense of gratitude and indubitableness to my beloved parents Sri V. Ramana Reddy and Smt. Nagabhushanamma for their uncountable moral support throughout my educational career. I express my heart full regards to my brothers Ramesh, Mohan, Madhu, Kiran kumar, Kiran sagar, Anurag sagar, Eresh kumar, Swaroop and my sister Rekha and my brother in law Sai for their love and affection.
I am in dearth of words to express my feelings towards my uncles Sri.V.Bali Reddy, V.Mallikarjuna Reddy and aunties Smt.V.Muniswaramma, V.Vijayamma, K.Leelavathi for their unparallel affection, moral support and persistent encouragement.

I would like to express my heartfelt gratitude to my uncles Sri.K.Chandramouli Reddy, D.Tirumala Reddy, and my aunties Smt.K.Changamma, D.Lakshmidevi for their loving support.

It is with great pleasure to enroll my profound thanks to my wife Jyothsna for her understanding support, affection and encouragement during the period of my research work. It gives me an immense pleasure to introduce my cute son Puneeth Srinivas Reddy to forget all my disappointments if any by his lovely childish nature.

I extend my deep sense of reverence and gratitude to Dr.Khayum Ahammed and Dr.P.Sudhakar for their help and co-operation during the course of my investigation.

My heartfelt thanks to my colleagues Y.Sreenivasulu, Bhagyaraj and Yoghanandh for their assistance during the course of my study.

I feel proved to mention my friends Gouri sankar, Subramanyam Reddy, Sudhakar, Munikumar, Siva Prasad, Rajesh, Rekharani and Afsar for their co-operation during the course of my study.
