ACKNOWLEDGEMENT

I wish to state my deep sense of gratitude and profound thanks from the bottom of my heart to my respected and scholarly guide, Dr. C. Manoharan, Reader, Department of Botany and Microbiology, A.V.V.M Sri Pushpam College, Poondi, Thanjavur, for his treasured guidance and supervision, encouragement, unswerving support throughout the course of my research work. His amicable nature, erudite ability in the subject, motivation, solid commitment and concern towards research helped in understanding and completing my research work. I would like to document my deepest sense of indebtedness to him.

I deem it a great privilege to thank Sri K. Thulasiah Vandayar, Secretary and Correspondent, and Dr. S. Balu, Principal, A.V.V.M Sri Pushpam College (Autonomous), Poondi, Thanjavur, for their benefaction and undeniable concern for higher education. My sincere thanks to Prof. G. Chidambaram, Dean, Faculty of Science, A.V.V.M Sri Pushpam College (Autonomous), Poondi, Thanjavur, for providing me necessary facilities to carry out my research work.

I sincerely pass on my thanks and gratefulness to my doctoral committee member Dr. A. Panneerselvam, Reader, Department of Botany and Microbiology, AVVM Sri Pushpam College, Thanjavur, for his priceless help, caring suggestions and all means of support during my study. I also extend my sincere thanks to Dr. N. Thajuddin, doctoral committee member and Head of the Department of Microbiology, Bharathidasan University, Tiruchirappalli, for his thought provoking suggestions at all the crucial stages of my study.

My special thanks are due to Dr. S. Balakrishnan, Dr. P. Kasinathan, Former Heads, Dr. T. Selvarj, Head, Dr. R. Chandrasekaran, Dr. S. Jeyachandran, Dr. S. Kulothungan, Dr. T. Kumar, Mr. C. Chandran, Dr. V. Ambikapathy, Dr. S. Vijayakumar, Faculty Members, Department of Botany and Microbiology,
A.V.V.M Sri Pushpam College, Poondi, Thanjavur, for their help, encouragement and kindhearted support.

I convey my heartfelt thanks to my professor Dr. R. Rajendran, Reader, Department of Microbiology, PSG College of Arts and Science, Coimbatore for his invaluable help, back up, consistent encouragement and decisive evaluation at all stages of my work.

I also record my courteous thanks to my professors Dr. N. Kannan and Mr. R. Selvakumaran Former Heads, Mrs. K. Radha, Senior Lecturer, Dr. A. Micheal, Head of the Department, Department of Microbiology, PSG College of Arts and Science, Coimbatore for their wishes.

I express my sincere gratitude to Dr. D. Padmanabhan, Correspondent, Prof. A.L. Lakshmanan, Adviser, and Dr. A. Ponnusamy, Principal, Dr.G.R. Damodaran College of Science, Coimbatore, Tamilnadu, for their kind patronage.

My sincere thanks to Mrs. A.K. Lakkumivenmal, Head of the Department, Dr. T. Viswanathan and Dr. R. Vijayakumar, Lecturers, Department of Microbiology, Dr.G.R.D CS, for their vital support during my study.

I would like to affirm my indebtedness to Mr. M. Mani, Managing Director and Mr. Senthil Kumar, General Manager, Microbiological Laboratory (Micro-labs), R.S. Puram, Coimbatore for their kind permission to use the resources of the laboratory.

I sincerely extend my gratefulness to Dr. K. Rajaduraipandi, Lab doctor, Al-Safa clinic, Sawfa, Saudi Arabia, for his key and primitive suggestions on my research area and influential help.

I am grateful to Dr. K.R. Mani, Director, Central Research Institute, Kasauli, India for his kind enquiries and encouragement during my study.
I like to extend my gratefulness to Dr. P. Amsaveni, Dean, and Mrs. S. Shobana, Faculty, Department of Biotechnology, International University of Technology, Twin Tech, Malaysia for their wishes.

I acknowledge and thank Dr. K. Ravikumar, Lecturer, Department of Biotechnology, Dr.G.R.D College of Science, Coimbatore, for his supportive help, concern and care rendered during all stages of my study. I thank Mrs. P. Saravanakumari, Mr. V. Kalaigandi, Mrs. D. Latha, Mrs. V. Amsaveni, Mrs. R. Umapriya, Dr. Subhash Kumar and Mr. A. Karthick, faculty members and all other non-teaching staffs, Department of Microbiology, Dr.G.R.D CS, for their wishes.

I record gratitude and deep sense of obligation to Mr. P. P. Manikandan, Microbiologist, Aravind Eye Hospitals, Coimbatore, for extending technical expertise and assistance. I would wish to thank Dr. C. Muthukumar, Research scholar, Department of Microbiology, Bharathidasan University, Tiruchirappalli, for extending his help and proficiency in the statistical analyses of my study.

It is my pleasure to extend my thanks to Dr. A. Ganesan, Librarian, and Lab Assistants, Department of Botany and Microbiology, A.V.V.M Sri Pushpam College, Poondi, Thanjavur, for their kind help during my study.

I take pleasure in thanking Dr. V.S. Vandarkuzhali, Former Head, Department of Tamil, PSGR Krishnammal College for Women, Coimbatore, Mrs. G. Kavitha, Assistant Controller of Examinations and Mrs. B. Umamaheswari, System analyst, Dr. GRD CS, Coimbatore for their kind enquiries.

My affectionate thanks are due to my father M.P. Ganesan, mother P. Sundarambal, sisters Mrs. G. Selvi Murugaboopathy, Mrs. G. Kamaleshwari Madheswaran and Mrs. G. Seethalakashmi Natrayan, for their prayers and blessings.

K. Panneer Selvam
