ACKNOWLEDGEMENT

First and foremost I wholeheartedly acknowledge the benevolence of God, the Almighty for enabling me to complete this work steadily and very successfully.

I wish to record my deep sense of gratitude to my guide Dr. N. Jayabalan, Professor, Department of Plant Science, Bharathidasan University, Tiruchirappalli, for his spontaneous help, valuable suggestions. The guidance given by him is highly helpful in completing this task.

I am indebted to Dr. K.V. Krishnamurthy, Professor and Head, Department of Plant Science, Bharathidasan University, Tiruchirappalli, for his intellectual discussion and act of sharing his precious time in completion of this work. I also sincerely thank him for the research facilities made available in an unrestricted manner to carry out my work very fruitfully.

I express my wholehearted thanks to the authorities of UGC, Government of India for granting me the fellowship in the 9th plan – II phase and II phase extension for two years under the Faculty Development Programme (FDP) to enable me to complete the work.

My sincere thanks to the Director of Collegiate Education and the Principal, Mrs. Jayam, K.N. Government Arts College for Women, Thanjavur, for having given me this opportunity to pursue and complete the research.

A wholehearted thanks to Dr. M.V. Rao, Professor, Department of Plant Science, who had given me his valuable views and suggestions to complete this work, as a Doctoral Committee (DC) member.

A great help is rendered by Dr. S. Senthil Kumar, Senior Lecturer, St. Joseph’s College, Trichy, and Mrs. R. Sarala, Lecturer, Department of Botany, KN Government Arts College for Women, Thanjavur in taking microphotographs.

I thank Dr. Roseline, Reader, Holy Cross College, Trichy for her suggestions and help given to complete the work.

I also thank Dr. N. Thajuddin, Reader, NFMC and Department of Microbiology, Bharathidasan University, Tiruchirappalli for the help in taking microphotographs.

I thank Dr. B.D. Ranjitha Kumari, Reader, Mrs. Lakshmi Prabha, Lecturer, and Dr. M. Sathiyabama, Lecturer, Department of Plant Science, Bharathidasan University, Tiruchirappalli for their help and suggestions during my study period.
I always remember evergreen, the timely help and assistance rendered by Mr. M. Ganesan, Research Scholar, Oil Crops Molecular Biology Unit, Department of Plant Science, Bharathidasan University, Tiruchirappalli of our lab throughout my work and in the preparation of thesis.

I sincerely thank Dr. V. Ramesh Anbazhagan, Post Doctoral Fellow, South Korea and Mr. P. Baskaran, Research Scholar, Bharathidasan University, Trichy for all the help given by them in completing the work.

Thanks are also due to Dr. A. Muthusamy, Research Associate, Department of Biotechnology, JN University, New Delhi, Dr. M. Thiruvengadam, Post Doctoral Fellow, National Institute for Biotechnology, Taiwan and Dr. M. Jeyakumar, Post Doctoral Fellow, National University, Singapore for their valuable ideas and suggestions in full filling this task.

I wish to express my sincere appreciation for the assistance, I received from my lab mates, Mr. B.R. Chandrasekar, Mrs. K. Ganesh Kumari, Mr. M. Muthuvel, Mr. P. Durai (National Banana Research Institute, Trichy) Fr. Roy John and Ms. P. Maheswari.

I sincerely thank, Dr. M. Ravichandran, Mr. Ravishankar, Mr. Arun Prakash, Research scholars, for their help in one way or other.

I am to thank Dr. K. Vasanth, Mr. M. Kumeresan, Mr. A. Bakrudeen Ali Ahmed, Mr.S. Senthil Kumar and Mr. M.D. Saravanamurthy, for their help.

Thanks are due to research scholars of Dr. B.D. Ranjitha Kumari’s Lab and non-teaching staffs of this Department, Bharathidasan University, Trichy for their constant support and assistance.

My heartfelt thanks are also due to Mrs. Robinsa Begum, Mrs. K. Vijaya Lakshmi, and Mrs. D. Premila Kumari, former Heads of Department of Botany, KN Government Arts College, Thanjavur for their interest and encouragement in my research work.

I owe a great deal to mother P. Dhanalakshmi, my husband Mr. A. Selvaraj, my daughter Ms. S. Nandini, my sons, Mr. S. Siddhartha, Mr. S. Gautham, Brothers and Sister for their patience, co-operation, moral support and endurance in completing this task.

I remember every one who rendered me help in completing the task successfully.

(P. BHANUMATHI)
