ACKNOWLEDGEMENTS

I have great pleasure in expressing my sincere and profound gratitude to my esteemed guide Dr. N. Sami Veerappa, Reader in Botany, Government Arts College, Karur – 639 005 for his enlightening guidance, valuable suggestions, constant moral support throughout the course of the study and also for the efforts he had taken for the fulfillment of this thesis in a most successful way.

I am extremely grateful to Dr. K. Kala, Reader and Head, Department of Botany, Government Arts College, Karur – 639 005 for her constant encouragements and for providing me the laboratory facilities to carry out this work.

I am very much thankful to Prof. G. Elumalai, Principal, Government Arts College, Karur – 639 005 for providing me the necessary facilities and constant support to carry out the research work.

I am also grateful to Dr. P. Velayutham, Senior Lecturer in Botany, Government Arts College, Karur – 639 005 for his help and support rendered during the course of the study.

I extend my sincere thanks to Prof. G. Jagadeesan, Mr. M. Ramakrishnan, Dr. T. Bhupathi, Dr. G. Thirupurasundari, Dr. K. Murugesan, N. Muthukumarasamy, P. Ayyappan and all the Faculty members of Department of Botany for their help and support during the course of the study. I express my sincere gratitude to Prof. P. Jayaraman, Director, Plant Anatomy Centre, Chennai to carry out the anatomical work. I am also thankful to The Principal, JSS College of Pharmacy, Ooty to carry
out the Pharmacological work. I thank The Director, Central Electrochemical Research Institute (CECRI-CSIR), Karaikudi for the HPLC analysis of the sample. I thank The Director, South India Textile Association, Coimbatore for the GC-MS analysis of the sample.

I am extremely grateful to Mr. N. K. Kandasamy, Member of the Syndicate, Bharathidasan University, Dr. P. Natesan, and Dr. M. Balasundaram, Members of the Senate, Bharathidasan University, Tiruchirappalli – 620 024 for their encouragements and moral support the during the course of the study.

My special thanks are due to Mr. M. Senthil Kumar, and other Research Scholars, Department of Botany, Government Arts College, Karur – 639 005 for their help and assistance rendered during the course of the study. I am also thankful to Mr. K. Palanisamy and other non-teaching members of the Department of Botany, Government Arts College, Karur – 639 005 for their help and assistance during the course of the study.

I am thankful to the University Grants Commission (UGC), New Delhi for provided me the Faculty Improvement Programme (FIP) and to The Director, Directorate of Collegiate Education, Chennai for provided me a chance to avail the FIP.

I am deeply indebted to my husband Mr. R. Velumani, my Children, my Brothers and my Sisters-in-law for their inspiration, moral support and help in my life.

Karur – 5
15.12.2006
