ACKNOWLEDGEMENT

I express my deep gratitude and sincere thanks to my well-wishers guides, Mahaguru Dr. R. Saravanamuthu, M.Phil, Ph.D, P.G.D.C.A, Reader in Botany and Dr. S. Ashokan, M..Phil., Ph.D, Reader in Zoology and wildlife biology for suggesting new ideas, magnanimity, changing me to the research arena and constant encouragement during the course of my study period.

I am thankful to Dr. M. Varadharajan, M.Phil., Ph.D, Principal, A.VC college, Prof J. Krishnamoorthy, former HOD of Zoology and division of Wildlife Biology and Prof. S. Swatharanyam, M.Sc., M.Phil., HOD of Zoology and division of Wildlife Biology A.V.C. College, Mannampandal for providing necessary facilities for the lab work and reference collection.

I am extremely acknowledge the funding received for this project from Ministry of environment, India, Tamilnadu Forest Department & Research circle, the Nilgiris Wildlife and environmental Association for coordinating this study. This study would not have been possible but for the wholehearted support of the TNFD & Research circle in timely grant of research grants, permits providing necessary facilities and assistance in the filed.

My hearty and lovable thanks to field investigators Mr. Ajay A. Desai, Mr. S. Swaminathan, BNHS, Mr. A. Udayan, I.F.S and present investigator Mr. V. Ganesan, I.F.S, for spending their invaluable time for supervising and giving me valuable, critical ideas during the study period. In this moment once again I greatly thank to Mr. S. Swaminathan, BNHS for his patience and kindness in guiding and sharing his experience throughout the project period.

I wish to express my gratitude to Mr. J.C. Daniel, Honorary Secretary, Bombay Natural History Society and Dr. Asad R. Rahmani, Director, Bombay Natural History Society for their encouragement and permitting me to utilizing the library and Herbarium during my study period.

I wish to place on record my deep sense of gratitude to Dr. N. Krishnakumar, I.F.S, Conservator of Forest, Research Circle, Mr. J.C. Kala I.F.S, Principle Chief Conservator of Forest, Dr. Sukhdev I.F.S, Chief Wildlife Warden,
Dr. G. Kumaravelu, I.F.S, Chief Conservator of Forest (Research, Trainee and Extension), and Dr. T. Sekar I.F.S, Conservator of forest, Coimbatore, Tamilnadu Forest Department for providing necessary permissions and grants during the course of study.

I also convey my thanks to Mr. Sugirtharaj ACF (protection) and Mr. Ramasubramanian I.F.S, ACF, who helped me in may night-ride during the study period.

I wish to express my sincere thanks to Dr. K. Theyagesan Ph.D and Dr. R. Nagarajan, Ph.D (India), Ph.D. (UK) for giving valuable information about statistical analysis and helps in various ways during data analysis time.

I sincerely express my thanks to Dr.K.Manimozhi, Dr. Alphonse Jayabalai, Dr. G. Ramasamy, Dr. M.C. Sathyanarayana, and other faculties of Department of Zoology and division of Wildlife Biology, A.V.C College for guiding me in various field technical ideas during the study time.

I am grateful to Registrar and all the staff members of Bharadidasan University for their necessary intimations and their encouragement during the course of study.

I also wish to acknowledge the interest evinced in the field by Late. Dr. V. Krishnamoorthy, popularly known as “Elephant Doctor” for his technical field advice and discussions on many critical issues.

My sincere thanks to Dr. R. Sukumar, Indian Institute of Science, Bangalore, Mr. R. Arumugam, M.Sc., IISc, Mudumalai, Dr. N. Baskaran, IISc, Bangalore, Mr. Arivazhagan, M.Sc., IISc, Mudumalai, Dr. N. Kalaivanan, Elephant doctor, Mudumalai and Mr. Mohenraj, Project Leader, WII, Ooty for having provided me the necessary facilities that I required in the field during my study period.

I would like to thank the Department of Environment, Forest and Wildlife, Government of India and Forest department of Tamilnadu and Research wing of Forest Department, Tamilnadu for the permission to carry out the research in their respective areas of entire Indira Gandhi Wildlife Sanctuary and National Park. Many forest
department personals made this study possible and were the source of inspiration for the research and they provided all help whenever I needed. I profusely acknowledge the Forest Range Officers Mr. Moorthy, Valparai, Mr. Nagarajan, Top-Slip, and Mr. Thangaraj Pannerselvam, Manampalli, others Range and forest officers.

I am particularly thankful to Mr. M. Ashok kumar M.Sc., without whom the completion of this work would not have been possible. I personally acknowledge him for his continuous support and providing valuable suggestions in the completion of my dissertation.

I wish to thank Mr. S.K. Shanmugasundaram I.F.S, Deputy Conservator of Forests, (Genetics) Coimbatore circle, Mr. Jain Allaudeen Assistant Conservator of Forests, (Genetics), Mr. Shajakhan, Range Officer, Amaravathi Range for their continuous support in my field study.

I am very much indebted to Mr. B. Rathinasabapathy, Biologist, and Mr. Manickam, Botanist, Coimbatore Zoological Park and conservation center for his helps in many ways for my study.

I extend my sincere thanks to Mr. Prabhu, Member, Wildlife Institute of India, Erode for his continuous support and constant encouragement during my study period.

I am also thankful to Mr. M. Srinivasan Ph.D Scholar, Annamalai University, Mr. G. Thomas Nithyanantham Ph.D Scholar, A.V.C College, Mr. R. Muruganandam, M.Sc., DCA for fine encouragement and their timely help during the field trip.

With a deep sense of gratitude, I record my sincere thanks to Mr. Harikrishnan Viswanathan M.C.A, Lecturer, Department of Computer Science, A.V.C College, Mr. K.Vikramacholan M.C.A, Software Engineer, HP India Limited, Chennai, Mr. U.Vijayganesh B.B.A, Digital Designer, DigiMedia, Mayiladuthurai whose help was always available me.

I also extend my thanks to Mr. Venkatesan, Mr. R. Gopi, M.C.A, Mr. G. Srinivasan M.C.A, Kallakurichi, Mr. K. Karthik, Designer, and other staff members of DigiMedia, Mayiladuthurai for their timely help.
I thank Mr. Saravanan, Mr. Nagarajan and Mr. Mahalingam, FRH Cooks who have helped me in many ways in Topslip.

I thank all the Antipoaching watchers of Indira Gandhi Wildlife Sanctuary and National Park who helped me in many ways in the field during the study. Without the help from the field staff, this study would not have been completed successfully.

I wish to thank my elder sister Mrs. P. Poonguzhali Rathina kumar and her family, Mr. Ponnambalam pillai & Sons, Dr. M. Tamilarasan and his family and to all my relatives for their continuous support and encouragement during the study period.

I reserve my heartful thanks to my brother Mr. Muthukumar ponnambalam and his family who never allowed me to face any financial crisis, and his valuable advices during my field of study.

I express my deep sense of gratitude to my uncle Mr. B. Thirugnanam and my sister Mrs. P. Vennila Thirugnanam whom continuously inspired me to pursue my interest.

Last but not least, I owe a special word of indebtedness to my sister Miss. A. Gnanavalli M.Com., M.Phil., and my parents, who endured my long absence of more than five years except a few sporadic visits to hometown.

A.KUMARAGURU
